JEFFRY JONES (904) 542-0366

LUTHER EAST (904) 542-5118

TERRI HICKS (904) 542-3391

5.0 DBIDS

Defense Biometric Identification System (DBIDS) increases installation security and communications by receiving frequent database updates on changes to personnel/credential status, law enforcement warrants, lost/stolen cards, and force protection conditions. The system provides continuous cards; the following is required to get a DBIDS credential:

- **Present your NCACS Card and a completed copy of the SECNAV FORM 5512/1 to the base Visitor Control Center representative.**
- **The VCC will pull up your information onto the computer, ensuring all information is current and correct.**
- **Once your information is validated, a temporary DBIDS credential is provided.**
- **Your temporary credential will have an expiration date, prior to which you will need to obtain your permanent DBIDS credential (~ 180 days).**
 - **For each additional U.S. Navy installation to which you need access, the first time you visit you only need to bring your DBIDS credential and statement of purpose for base access when arriving at the Visitor Control Center.**
- **The representative will enter base access authorization and then you may proceed to work.**

If you do NOT have an NCACS Card, the following is required to obtain a DBIDS credential:

- **Present a letter or official document from my government sponsoring organization that provides the purpose for your access.**
- **Present valid identification, such as a passport or Real ID Act-compliant state driver's license.**
- **Present a completed copy of the SECNAV 5512/1 form to obtain your background check.**
- **Upon completion of the background check, the Visitor Control Center representative will complete the DBIDS enrollment process, which includes**

- Your photo, fingerprints, base restrictions, and several other assessments; after all this is done, you will be provided with your new DBIDS credential.

You may now proceed to work. For additional questions about obtaining a DBIDS card, contact your local base visitor control center. Additional information is available at <https://www.cnmc.navy.mil/Operations-and-Management/Base-Support/DBIDS/>
