

This is only a Pre-solicitation Notice: Harbor Maintenance Dredging, Toledo OH.

The approximate date of solicitation issuance will be around 01 May 2026.

This is NOT a request for proposal or invitation for bid; this is for INFORMATIONAL purposes only to make industry aware of the upcoming requirement. A response is not required at this time. Questions will not be answered until official solicitation is issued.

The USACE Buffalo District is currently preparing a solicitation to award a Single Award Task Order Contract with a two year ordering period on the Toledo Harbor on Lake Erie in the state of Ohio.

Approximately 1,000,000 cubic yards of dredge material will be from Toledo Harbor during the FY26 and FY27 sessions. The maximum ordering amount over the 2 year SATOC will be \$20M.

TYPE OF CONTRACT AND NAICS:

An IFB (Invitation for Bid) is planned for one (1) Firm-Fixed-Price (FFP) two (2) year SATOC for FY26 and FY27 . The North American Industrial Classification System Code (NAICS) for this effort is 237990 – Dredging and Surface Cleanup Activities.

This will be an Unrestricted opportunity with a 10% HubZone Price Preference.

The magnitude of this project is between \$10,000,000 and \$25,000,000. Performance and Payment Bonds will be required for the task orders. A \$3M Bid Bond will be required.

Please be advised that this requirement may be delayed, revised, or cancelled at any time before award.

SOLICITATION WEBSITE:

The official solicitation and any subsequent amendments or updates, when posted, will be available free of charge by electronic posting only and may be found at Procurement Integrated Enterprise Environment (PIEE), <https://piee.eb.mil/>.. Paper copies of the solicitation will not be issued. Telephone and Fax requests for this solicitation will not be honored. Project files are Portable Document Format (PDF) files and can be viewed, sing Adobe Acrobat Reader. To download the solicitation for this project, contractors are required to register at the Procurement Integrated Enterprise Environment (PIEE) website at <https://piee.eb.mil/>..

Solicitation Amendments, if/when issued, will be posted to the above referenced website for electronic downloading. This will be the only method of distributing the solicitation and any amendments by the Government prior to closing. It is the Offerors responsibility to monitor the website for any amendments or changes to the solicitation.

This is only a Pre-solicitation Notice: Harbor Maintenance Dredging, Toledo OH.

REGISTRATIONS:

Offerors shall have and shall maintain an active registration in the following database:

System for Award Management (SAM): Offerors shall have and shall maintain an active registration in the SAM database at <http://www.sam.gov> to be eligible for a Government contract award. If the Offeror is a Joint Venture (JV), the JV entity shall have valid SAM registration in the SAM database representing the JV as one business/firm/entity. If at the time of award an Offeror is not actively and successfully registered in the SAM database, the Government reserves the right to award to the next prospective Offeror.

No responses/questions will be addressed until solicitation is issued.
