The Government considers By Light Professional IT Services, LLC (By Light) is the only responsible source, and no other supplies or services will satisfy agency requirements. By Light has been providing It Professional Services under the Washington Interagency Telecommunications Systems 3 (WITS 3) contract, providing experienced contractors with specialized skills and supporting the command's daily mission activities. Given the criticality of maintaining continuity, momentum and expertise for this contract, the Government intends to extend the contract with By Light. for the next seven (7) months, until the General Services Administration (GSA) new Enterprise Infrastructure Solutions (EIS) contract is in place.

However, all responsible sources that feel they are capable of providing these services are encouraged to submit a capability statement displaying their company's unique capabilities, a proposal, or a quotation which will be considered by the agency.

The Government will not be responsible for any cost incurred in the preparation of any submitted material to the sources sought. A determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. Information received will be considered solely for determining whether to conduct a subsequent competitive procurement.

This notice of intent is NOT a request for proposals or quotations. A determination by the Government not to compete this proposed action based upon responses to this notice lies solely within the discretion of the Government.
