Subject: Sources Sought Notice, South Carolina Parks Pavement Preservation (CONG, COWP, KIMO, NISI)

**** This is a SSN for the purpose of conducting Market Research. Proposals are NOT being requested, nor accepted at this time. Responses are being requested from both Large and Small Businesses. ****

1. **Purpose:**

a. The purpose of this SSN is to gain knowledge regarding the types of interested businesses and their qualifications. Information obtained through this SSN by the NPS will be utilized to develop the acquisition strategy. The amount of interest, or lack thereof, will determine the possibility of a Small Business or other Socio-Economic Set-Aside for solicitation and award purposes. Analysis of the quality of responses to this SSN will be considered in the Market Research being conducted and in the making of any set-aside determination for this requirement.;

b. The Government anticipates conducting a competitive acquisition for this requirement. The amount of interest or lack thereof will determine the possibility of a small business or other socio-economical small business set-aside for solicitation. Analysis of the quality of responses to this source sought announcement will be considered in the market research being conducted, and in the making of any small business set-aside determination for this requirement; and

c. No solicitation, proposal package, specifications, or drawings are available with this SSN.

2. **Cost Reimbursement:** Response to this announcement is strictly voluntary. No reimbursement will be made for any costs associated with providing information in response to this SSN, nor any follow-up information requests.

3. **Bonding:** Bid, Performance, and Payment Bonds are anticipated to be required.

4. **North American Industry Classification System (NAICS) code:** 237310 – Highway, Street, and Bridge Construction and **Size Standard:** \$45M.

5. **Project Description:**

a. The project is located at Congaree National Park, Cowpens National Battlefield, Kings Mountain National Military Park, and Ninety Six National Historic Site, South Carolina. [Congaree National Park \(U.S. National Park Service\)](#), [Cowpens National Battlefield \(U.S. National Park Service\)](#), [Kings Mountain](#)

PAVEMENT PRESERVATION SOUTH CAROLINA PARKS

RICHLAND, CHEROKEE, YORK
AND GREENWOOD COUNTIES, SOUTH CAROLINA
LENGTH 11.48 ROADWAY MILES & 0.71 PARKING MILES

b.

- c. Magnitude of construction is \$1,000,000 and \$5,000,000;
 - d. The surrounding area is urban or rural with limited staging located adjacent to or within the area of the project roads and parking. The selected location shall be coordinated for approval with the contracting officers representative.
 - e. The Parks will remain open during construction, thus contract activities and logistics must be structured and scheduled to minimize visitor impact.
 - f. The following are Special Construction Requirements for construction limitations;
 - i. Keep all roads and parking areas open and accessible during the week of July 4th for all parks,
 - ii. End all construction in KIMO before October 1, and
 - iii. No construction in CONG during October 15-18 and during the Synchronized Firefly Festival in mid-May to early-June. All roads and parking lots must be accessible to the public during this time.
 - g. The anticipated period of performance of 132-calendar days including any potential weather shutdown;
 - h. There are seasonal/other shutdowns mandated through the construction season;
 - i. Winter construction may be required. See above Special Construction requirements for construction limitations.
1. **Project Scope:** Provide a brief summary of the Scope of Work requirements. The work consists of performing various pavement preservation activities at the designated roads and parking areas within each park to extend the pavement life and delay more expensive and intrusive rehabilitation activities. Major items of pavement rehabilitation activities under this project included:
- a. Cleaning and sealing of asphalt cracks

- b. Seal coating asphalt pavement
- c. Asphalt milling and overlaying
- d. Asphalt patching
- e. Full-depth asphalt reconstruction
- f. Signage improvements
- g. Aggregate – shoulder support.

Not all parks include all activities

2. **Solicitation:** At this time, NPS DSC anticipates issuing a competitive Request for Proposals (RFP) around FALL 2026; and awarding a single Firm-Fixed-Price (FFP) contract.

3. **Submittal Instructions:** Responses shall be captured by filling out (in its entirety) the attached Sources Sought Survey Questionnaire. The interested contractor shall respond no later than 28 April 2026, 2pm Mountain Time (MT) by emailing the questionnaire to the Contracting Officer at Shellie Murphy, shellie_murphy@ios.doi.gov
