Barnes Center for Enlisted Education- Interactive Whiteboard IT Refresh

1. **PURPOSE:** The Thomas N. Barnes Center enlisted professional military education classrooms located at Lackland, Keesler, and Sheppard NCO Academies require a refresh of their old, discontinued interactive whiteboards. The current, discontinued whiteboards cannot be updated to the Windows 11 operating system and are beginning to fail. This technology refresh will allow for standardization of devices across our classroom environments, allowing classes to continue to run without delays and interruptions, and fully update devices to the Windows 11 operating system.
 - 1.1. Delivery for boards shall be as follows:
 - 1.1.1. Base year: 21 interactive whiteboards with CPUs are to be delivered to Robert D. Gaylor NCO Academy, 101 Ent Circle, Bldg 10634, JBSA-Lackland, TX 78236.
 - 1.1.2. Option year one: 12 interactive whiteboards with CPUs are to be delivered to Mathies NCO Academy, 702 Chappie James Ave, Bldg 2901, Biloxi, MS, 39534.
 - 1.1.3. Option year one: 25 interactive whiteboards with CPUs are to be delivered to Sheppard NCO Academy, 939 Missile Rd, Bldg 1900, suite 1004, Shappard AFB, TX, 76311.
2. **DESCRIPTION OF ITEMS:** The following items are required for performance under this contract: all-in-one digital touchscreen display, all required cables, software and licenses, and on-board (OPS) expansion PC modules that have windows 11. The display will need to be compatible with other operating systems, such as MacOS, Android, Linux, and Chrome, provided through a software solution rather than additional hardware (e.g. casting, slinging). Software licensing will need to be identified as annual renewal or one-time purchase and will be included in the contract price. If annual renewal, prices for additional years will be included.
