Delivery is F.O.B. Destination, Newport, RI. The Government’s required delivery date is 31 July 2026.

Quotes should include a validity date of no less than 60 days from due date for receipt of offers.

Offerors shall include shipping cost into the unit price for each line above. A separate line for shipping will not be provided.

This solicitation requires registration with the System for Award Management (SAM) prior to award, pursuant to applicable regulations and guidelines. Registration information can be found at www.sam.gov.

Offerors shall include price, payment terms, delivery terms, and the following additional information with submissions: Offeror Point of Contact (including phone number and email address); Offeror CAGE Code; and Offeror SAM UEL.

The Government intends to award a single FFP purchase order to the eligible, responsible offeror whose quote is the lowest price technically acceptable. In order to be determined technically acceptable:

- The offeror must quote the required items in the required quantities and shall meet the Government’s required minimum specifications, in accordance with Attachment 1.
- The offeror shall submit documentation with their quote demonstrating previous experience in both applying for and successfully receiving export license.

The Government will also consider past performance information on the Supplier Performance Risk System (SPRS) where negative information within SPRS may render a quote being deemed technically unacceptable.

If no surcharge is applicable, the Government's preferred method of payment is via credit card. Otherwise, Electronic Payment through Wide Area Workflow (WAWF) may be used. Please confirm if Government Purchase Card is an acceptable form of payment within the quotation. Include any applicable surcharge in the quotation.
