

NOTICE OF INTENT TO AWARD SINGLE SOURCE: AMIC Det 2 OL/PKA Contracting Squadron, Patrick SFB, FL contemplates awarding a single source purchase order as authorized by FAR 6.103-1 "Only one responsible source and no other supplies or services will satisfy agency requirements." This award will go to AMETEK Advanced Measurement Technology, Inc. for the purchase of the following:

Item	Product	Qty
1	GMX50-83-XLB-C Model GMX50-83-XLB-C ORTEC GAMMA-X Coaxial N-type HPGe Extra-Low-Background Gamma-Ray Detector (Non-PopTop) with Carbon Fiber Endcap-Relative Photopeak Efficiency: 50 % min-Resolution @5.9 keV: 0.80 keV FWHM typical-Resolution @122 keV: 1.10 keV FWHM max-Resolution @1.33 MeV: 2.2 keV FWHM max-Peak-to-Compton Ratio: 58:1 min-Peak Shape FW.1M/ FWHM: 2.0 max-Peak Shape FW.02M/ FWHM: 3.0 typical-Endcap Diameter: 83 mm nominal	1
2	DSPEC-PRO-NEGGE, DSPEC pro Digital Spectrometer with MAESTRO Software and DIM-NEGGE, for use with non-SMART-1 detector.	1
3	PLG1F Two piece, close fit plug for vertical dipstick cryostat in HPLBS1F Lead Shield	1
4	A66-NW , GammaVision Software additional network copy	1
5	TSG-ONSITE-SC-3 Up to one site visit per year for 3 Days of technical support. All travel expenses and transportation included.	1
6	CFG-SV-XLB-83 Extra-Low-Background Streamline Vertical Cryostat (Dipstick type). Includes -1" thick lead shield between crystal mount and external preamp.	1

This equipment will be used by the Air Force Technical Applications Center. This will be a purchase order for the required commodities. IAW FAR 6.103-1, AMETEK is the only source capable of fulfilling the government's requirement for ORTEC High-Purity Germanium (HPGe) Gamma-Ray Detector as they are the creator, owner, licensor, and copyright holder of the product, of Ortec products. AMETEK has confirmed they do not have any authorized resellers in the United States. Interested parties may identify their interest and capability to respond to this requirement or submit documentation.

This notice of intent is not a request for competitive proposals. However, all responses received electronically for this synopsis by ***11:00 A.M. EST, 7 April 2026***, shall be considered by the Government. A determination by the Government not to compete with this proposed contract based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.

Please send responses to sean.moore.24@us.af.mil and ian.batchelor.1@us.af.mil. Phone calls will not be accepted.
