For

NEW MEXICO ARMY NATIONAL GUARD

RECRUITING & RETENTION BATTALION

1. GENERAL:

1.1. **SCOPE.** The contractor shall provide all personnel, equipment, tools, materials, supervision, and quality control necessary, except as specified in Paragraph 3.0 as Government Furnished, to perform the Marketing Program as defined in this PWS.

1.1.1. **OBJECTIVE.** The objective of this Performance Work Statement (PWS) is to provide a comprehensive marketing package to the New Mexico Army National Guard (NMARNG) for recruitment and retention goals. The Contractor shall provide services to generate qualified recruitment leads, offer a customized lead capture and nurturing solution, and support the Recruiting and Retention Battalion (RRB) leadership, recruiters, and marketing staff.

1.2. **BACKGROUND.** New Mexico Army National Guard Recruiting and Retention Battalion's (RRB) mission is to promote the NMARNG to gain interest and attention of prospective recruits. The NMARNG's RRB has a dual mission that is not understood well, and the general public has a hard time distinguishing National Guard from Active Duty. The primary target market is non-prior service (NPS) individuals 17-34 years of age. The NMARNG requires the services of a contractor with experience providing marketing solutions for the Army National Guard to develop and execute a comprehensive marketing program that includes branding, engagements, leads, and recruiter support to help the NMARNG achieve recruitment and retention goals.

1.3. **PERIOD OF PERFORMANCE.** The period of performance for this contract shall be for one (1) twelve-month base period, with five (4) twelve-month option periods that may be exercised at the discretion of the Government. The total period of performance, including the base and all option periods, shall not exceed sixty (60) months.

1.3.1. Base Year: 12 MONTHS

1.3.2. Option Year 1: 12 MONTHS

1.3.3. Option Year 2: 12 MONTHS

1.3.4. Option Year 3: 12 MONTHS

1.3.5. Option Year 4: 12 MONTHS

1.4. GENERAL INFORMATION:

1.4.1. **PLACE AND PERFORMANCE OF SERVICES.** The contractor shall provide all work offsite. The contractor shall at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS. When hiring

personnel, the contractor shall keep in mind that stability and continuity of the work force are essential.

1.4.2. PROTECTION OF PERSONALLY IDENTIFIABLE INFORMATION (PII).

The contractor shall protect all PII encountered in the performance of services in accordance with Defense Federal Acquisition Regulation Supplement (DFARS) 224.103 Personally Identifiable Information and Department of Defense Directive (DoDD) 5400.11, Department of Defense Privacy Program, and DoD 5400.11-R. If a PII breach results from the contractor's violation of the aforementioned policies, the contractor shall bear all notification costs, call-center support costs, and credit monitoring service costs for all individuals whose PII has been compromised.

2. DEFINITIONS AND ACRONYMS:

2.1. DEFINITIONS:

- 2.1.1. Contractor: A supplier or vendor awarded a contract to provide specific supplies or service to the government. The term used in this contract refers to the prime.
- 2.1.2. Contracting Officer (KO): A person with authority to enter into, administer, and or terminate contracts, and make related determinations and findings on behalf of the government. Note: The only individual who can legally bind the government.
- 2.1.3. Contracting Officer Representative (COR): An employee of the U.S. Government designated by the KO to monitor contractor performance. Such appointment will be in writing and will state the scope of authority and limitations. This individual has authority to provide technical direction to the Contractor as long as that direction is within the scope of the contract, does not constitute a change, and has no funding implications. This individual does NOT have authority to change the terms and conditions of the contract.
- 2.1.4. Defective Service: A service output that does not meet the standard of performance associated with the PWS.
- 2.1.5. Deliverable: Anything that can be physically delivered and includes non-manufactured things such as meeting minutes or reports.
- 2.1.6. Key Personnel: Contractor personnel that are evaluated in a source selection process and that may be required to be used in the performance of a contract by the PWS. When key personnel are used as an evaluation factor in best value procurement, an offer can be rejected if it does not have a firm commitment from the persons that are listed in the proposal.
- 2.1.7. Physical Security: Actions that prevent the loss or damage of Government property.

2.1.8. Quality Assurance: The government procedures to verify that services being performed by the Contractor are performed according to acceptable standards. Quality Assurance Surveillance Plan (QASP): An organized written document specifying the surveillance methodology to be used for surveillance of contractor performance.

2.1.9. Quality Control: All necessary measures taken by the Contractor to ensure that the quality of an end product or service shall meet contract requirements.

2.1.10. Subcontractor: One that enters into a contract with a prime contractor. The Government does not have privity of contract with the subcontractor.
