

Sources Sought Notice

Sources Sought – FMCS Travel Compliance Audit Services

General Information

THIS IS A SOURCES SOUGHT ANNOUNCEMENT ONLY. This notice is issued for market research purposes in accordance with FAR Part 10. This announcement does not constitute a solicitation or a promise to issue a solicitation in the future. The Government will not pay for any information submitted or for any costs associated with providing a response to this notice.

The Federal Mediation and Conciliation Service (FMCS) is conducting market research to identify qualified and interested firms capable of providing travel audit and compliance review services for agency travel transactions. The purpose of this notice is to determine the availability of capable businesses and to assist the Government in determining the appropriate acquisition strategy.

The Government intends to use responses to this Sources Sought notice to support market research, refine the draft scope, and determine the appropriate acquisition strategy, including potential small business set-aside decisions.

Proposed NAICS Code

The Government is considering the following NAICS code for this requirement:

541211 – Offices of Certified Public Accountants

Vendors are encouraged to provide feedback if they believe a more appropriate NAICS code applies.

Product Service Code (PSC)

R704 – Support- Management: Auditing

Place of Performance

Work may be performed remotely. In person performance at FMCS facilities may also be considered if necessary. Contractors performing the work will be required to use an FMCS issued Government furnished laptop.

Estimated Workload

Based on current estimates, FMCS has processed approximately 177 travel vouchers so far this year. The contractor would likely review a sample of approximately 30–50% of travel vouchers as part of the audit process.

Systems Access

The contractor will need access to the following systems and documentation to perform the review:

- Concur travel system
- PDF travel request forms

Travel request forms may be provided through OneDrive or SharePoint for review.

Anticipated Period of Performance

The anticipated period of performance is up to one (1) year; however, the Government expects the work may be completed within approximately six (6) months.

FMCS encourages responses from interested small businesses, including HUBZone, SDVOSB, and WOSB concerns.

Draft Description of Requirement

The contractor shall provide audit and compliance review services for agency travel transactions processed through the Government's travel management system.

The contractor may be required to:

- Review travel vouchers, receipts, and supporting documentation
- Assess compliance with the Federal Travel Regulation (FTR) and FMCS travel policies
- Identify potential improper payments or unsupported costs
- Conduct sampling of travel transactions and perform compliance testing
- Provide written audit findings, recommendations, and summary reports
- Identify trends, internal control weaknesses, or policy compliance issues

The final scope of work may be refined based on responses received through this Sources Sought notice.
