

THIS IS A SOURCES SOUGHT NOTICE FOR INFORMATION AND PLANNING PURPOSES ONLY. This announcement closes at 4:00 p.m. Eastern Time on Monday 23 March 2026. The applicable North American Industry Classification System (NAICS) for this requirement is 238290 Other Building Equipment Contractors, with a corresponding size standard of \$22M. Interested parties must be registered under NAICS 562910 in the System for Award Management (SAM) at www.sam.gov. The Government plans to consider all information submitted in response to this Sources Sought Notice.

The 633d Contracting Squadron has a need for contractor services to maintain, repair, and inspect of the real property vertical transportation equipment (VTE)/Elevators at JBLE-Langley, Virginia. The U.S. Government requires an assessment to determine the scope and cost of maintenance, repair, and inspection of elevator on both Langley and Fort-Eustis.

The Government anticipates making award on or about 15 June 2026, with the Request for Quote (RFQ) release date on or about 08 May 2026.

Please note: This is an estimated posting timeframe, and it is the responsibility of the interested parties to monitor the System for Award Management website at www.sam.gov for all subsequent postings. The draft Statement of Work (SOW) is posted in conjunction with this notice to provide the size, scope, and complexity of this requirement. This is not a formal Request for Quote, and no contract will result from this notice, nor does it commit the Government to any acquisition for these services. All interested parties shall submit a capabilities package (no more than 8 pages total) outlining your company's key business abilities relevant to the performance of this requirement and addressing the questions found in Attachment 1. Please submit the requested information to this office by NLT the closing date and time (23 March 2026, 4:00 p.m. Eastern Time) to Gokul Rayamajhi at gokul.rayamajhi.1@us.af.mil and Matthew Gregg at matthew.gregg.3@us.af.mil.

The internet and e-mail shall be used as the primary means of disseminating and exchanging all information. Hard copies of documents posted on SAM will not be made available. The Government will provide an email confirmation acknowledging receipt of information submitted.

Elevator Contract PWS - 1 Jan 26 (Draft)

Solicitation Number: FA480026Q0039

The 633d Contracting Squadron, Langley AFB VA, anticipates procuring a contract for the provision of services for VTE/Elevators maintenance, repair, and inspection. As part of the Government's continuous information exchange with Industry while formulating the acquisition strategy, the Government requests your assistance in determining if this requirement must be competed or set aside.

In order for the Contracting Officer to make a determination for any acquisition, there must be reasonable expectations that offerors can satisfactorily perform contract requirements and that award will be made at fair market prices. The Government believes it is mutually beneficial to all parties if this determination is made as early as possible in the acquisition process. If your firm intends to submit a proposal as Prime contractor for this effort, you must respond to the following questions regarding your experience, capabilities, and intentions. The Government is not requesting technical and/or management proposals at this time. Your response will be used solely for market research purposes in the formulation of the acquisition strategy.

1. Do you intend to submit a proposal as Prime contractor for this requirement?
2. Submit evidence of experience and ability to provide VTE services type contract.
3. Include information on your company's technical and financial abilities that will allow you to meet the requirements of a program of this magnitude. Refer to the Draft Performance Work Statement (PWS).
4. Address your company's ability to manage and integrate subcontract efforts if needed.

5. Identify whether your company is a Small Business concern under the North American Industry Classification System (NAICS) Code 238290 Other Building Equipment Contractor.

All information received will be protected and safeguarded as Source Selection Sensitive Information IAW FAR 3.104, Procurement Integrity. Please submit the requested information to this office by NLT the closing date and time 23 March 2026, 4:00 p.m. Eastern Time) to Gokul Rayamajhi at gokul.rayamajhi.1@us.af.mil and Matthew Gregg at matthew.gregg.3@us.af.mil.
