INTRODUCTION:

This is a Sources Sought Notice to determine the availability and technical capability of small and large businesses to meet the Government's requirement for four (4) 56 passenger buses to provide transportation in support of base tours to an estimated 4K personnel for the Arnold 75th Anniversary scheduled on Saturday, June 27th, 2026. The charter company must provide drivers with eligibility to access the Air Force installation and buses must have climate control, a PA system and TV screens, be ADA compliant, and have a bathroom. Must be in place by 8 a.m. on June 27th, 2026, and be prepared to run through 5 p.m. See Atch 1 – Technical Requirements. Services are required at AEDC at Arnold AFB located in TN.

The result of this market research will contribute to determining the method of procurement if a requirement materializes. Based on the responses to this Sources Sought Notice/Market Research efforts, the requirement may result in a sole source acquisition, it may be set-aside for small businesses (in full or in part), or may be procured through full and open competition.

Provided below are the anticipated Contract Line Item Numbers (CLINs), Item Descriptions, Unit of Measure (UoM), and Estimated Quantities:

CLIN	QTY	Item Description
0001	4	Driver and Charter Bus (56 passenger) with climate control, a PA system, TV screens, be ADA compliant, and have functioning bathrooms

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS) CODE:

The anticipated North American Industry Classification System Code (NAICS) for this requirement is 485510 – Charter Bus Industry. The anticipated Product Service Code (PSC) for this requirement is V222-Transportation/Travel/Relocation-Travel, Lodging, Recruitment: Passenger Motor Charter.
