

## Notice Information

### Request for Sources Sought

Agency/Office: Air Combat Command

Location: 20 CONS, Shaw Air Force base, South Carolina

Title: Hanel Lift System Upgrade

Note: This Is Not a Request for Quote, Request for Proposal, Or Invitation for Bid. This is a Sources Sought for Government planning purposes only. Responses to this announcement are not considered quotes or offers, and cannot be accepted by the Government to form a binding contract. Responses will not be used for evaluation in any resultant solicitation for this requirement. The Government will not be held responsible for any cost incurred in response to this Sources Sought announcement.

The Shaw AFB 20th Contracting Squadron intends to procure an upgrade to the existing Hanel Lift Systems at Shaw AFB in accordance with the Draft Statement of Work.

**DESCRIPTION OF SERVICES.** The Contractor shall furnish a comprehensive "Turnkey" solution on two existing Hanel Lean Lift at Shaw AFB, SC in building 1604. This will encompass equipment setup, operational verification, and personnel training. All component replacements must be executed by Hanel factory-trained and certified technicians. Furthermore, the Contractor shall provide both a factory-trained Service Technician and a factory-trained Systems Integration Specialist to perform the installation, configuration, data migration, and training updates on the Lean-Lift units, in conjunction with the controller refit.

**BASIC SERVICES.** The Contractor shall provide a turnkey installation of all specified materials on two existing Hanel Lean-Lift units Hanel Lean Lift VLMs located in the APS, Komm#421.354/3-3. Conversion from MP Control (system # V5.0) to current MP 14N, key panel in standard colors (grey/pearl grey) including current system card. Access Code Management and Operations Journal Logging.

Hanel Parts: Safety Light Curtain Transmitter (QTY: 2), Safety Light Curtain Receiver (QTY: 2), Extractor Chain (QTY: 2), Drive Chain (QTY: 2), Vertical Drive Motor (QTY: 2), Vertical Chain (QTY: 2)

The anticipated designated NAICS Code is 238990.

Please include in your response the following information:

- Size of company (i.e., 8(a), HUBZONE, WOSB, Veteran Owned, Small Disadvantaged

Business, Service Disabled Veteran Owned, etc.), Relevant past performance on same/similar work dating back to the last five years and your company's capability to do this type of work. Documentation of technical expertise and capability must be presented in sufficient detail for the Government to determine that your company possesses the necessary functional area expertise and experience to compete for this acquisition. It is imperative that business concerns responding to this Sources Sought articulate their capabilities clearly and adequately.

Please send the information via email to 20th Contracting Squadron (20 CONS) [tessa.steward@us.af.mil](mailto:tessa.steward@us.af.mil) No Later Than 18 March 2026 2pm EST. Any questions can be directed to Daniel Kane at [daniel.kane.8@us.af.mil](mailto:daniel.kane.8@us.af.mil).

If a solicitation is issued it will be announced later, and all interested parties must respond to that solicitation announcement separately from the responses to this announcement.
