4. The Department of Veterans Affairs (VA), VISN 15 Network Contracting Office, is seeking sources that can provide the following:

Requirement: Solid Waste Removal, Poplar Bluff, MO

The contractor will be required to dispose of the miscellaneous trash, rubbish, and garbage in such a manner as not cause conditions detrimental to public health or constitute a public nuisance. The contractor will assume full responsibility for compliance with federal, State, County, and City Laws, rules, and regulations governing removal of waste materials. Due care must be exercised to prevent leakage and scattering of waste on the grounds of the Medical Center and the pickup area must be left in a clean and sanitary condition. The contractor will wash/clean out trash compactor and put in deodorizer to help control odor and facilitate pest management efforts

APPROXIMATE ACCUMULATION: Approximately 2000 pounds of trash, rubbish, and garbage will be accumulated daily and require removal. The approximate weight of accumulation is furnished for information only. The contractor agrees to remove the entire accumulation of trash, rubbish, and garbage at the price quoted herein.

It is the responsibility of the interested source to demonstrate to the government that the interested parties can provide the supplies/services that fulfill the requirement. If you are interested, and are capable of providing the sought out services, please provide the requested information as well as the information indicated below. Failure to respond to all questions in this sources sought will determine the interested party as non-responsive which may affect a set-aside decision for a resulting solicitation.
