

SOURCES SOUGHT: THIS IS NOT A REQUEST FOR PROPOSAL, BUT A NOTICE FOR INFORMATION AND PLANNING PURPOSES ONLY.

This notice does not constitute a commitment by the Government. All information submitted in response to this announcement is voluntary, and the Government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the Government. Respondents will not be individually notified of the results of any government assessments.

The 45th Contracting Squadron (45 CONS) is publicizing this Sources Sought Notice to gather industry information and input regarding an anticipated Single Award Task Order Contract (SATOC). 45 CONS is considering a small business set-aside program to accomplish the SATOC contract for Patrick Space Force Base.

The proposed primary North American Industry Classification System (NAICS) code for this requirement is 238220 - Plumbing, Heating, and Air-Conditioning Contractors, however, individual task orders issued under this IDIQ may utilize the following NAICS codes, stated below, depending on the specific work requirements:

236220 - Commercial and Institutional Building Construction

237110 - Water and Sewer Line and Related Structures Construction

238110 – Poured Concrete Foundation and Structure Contractor

238210 – Electrical Contractors and Other Wiring Installation Contractors

*Any NAICS code not expressly listed above shall not be utilized as a NAICS code for any task order issued under this IDIQ.

45 CONS seeks to establish an Indefinite Delivery/Indefinite Quantity (IDIQ) contract with a ceiling of \$15 to \$19.5M and a three-year ordering period.

Statement of Work: The Statement of Work (SOW) is attached for review.

This sources sought supports market research being conducted by 45 CONS to identify potential sources capable of fulfilling all requirements associated with the SATOC contract. The purpose is to gain knowledge of the interest, capabilities, and qualifications of Small Business firms that can support this requirement as a prime contractor.

Interested parties are requested to submit a brief description of their company's business size (i.e., annual revenue and number of employees) and business status (e.g., 8(a), Historically Underutilized Business Zone (HUBZone), Service-Disabled Veteran-Owned Small Business (SDVOSB), Economically Disadvantaged Women-Owned Small Business (EDWOSB), Women-Owned Small Business (WOSB), or other small business). Any responses involving teaming agreements should delineate the work that will be accomplished by the prime and the work to be accomplished by the teaming partners. The Government will use this information to determine its small business set-aside decision.

As stipulated in FAR 15.201, responses to this notice are not considered offers and cannot be accepted by the Government to form a binding contract. No solicitation exists; therefore, do not request a copy of the solicitation. The decision to solicit for a contract is solely at the Government's discretion.

All interested firms shall submit a capabilities package that explicitly demonstrates the company's ability to provide the services that will meet the Government's needs in accordance with (IAW) the SOW. Respondents are further requested to indicate their status as a foreign-owned/foreign-controlled firm and any contemplated use of foreign national employees on this effort. Include your DUNS number, CAGE code, and System for Award Management (SAM) expiration date in your capabilities package.

SUBMISSION INSTRUCTIONS

Interested parties are requested to submit their capabilities packages via email to the Point of Contact listed below. The subject line of the email should be: "Sources Sought: PSFB SATOC IDIQ - [Company Name]". The submitted capabilities package should be in PDF format.
