

Notice of Intent to Sole Source

FA700026Q0024

This is a special notice prepared in accordance with the Revolutionary Federal Acquisition Regulation (FAR) Overhaul (hereinafter referred to as RFO) 5.101 – Presolicitation Notice. The contracting office for this notice is the 10th Contracting Squadron, USAF Academy, CO 80840.

The US Air Force Academy (USAFA) intends to award a sole source commercial contract using simplified procedures in accordance with FAR part 12 to MTS Systems Corporation which is located at 14000 Technology Drive, Eden Prairie, MN 55344-2290. The authority for this non-competitive award is 10 USC 2304(c)(1), only one responsible source. The NAICS code for this requirement is 334519 and the PSC is 6695. The size standard as defined by the U.S. Small Business Administration is 600 employees. This notice incorporates provisions and clauses that are in effect through the RFO effective 1 February 2026. The Government has deemed MTS Systems Corporation to be a responsible contractor with respect to performance.

- a. Only one responsible source and no other item will satisfy the USAFA requirement.
- b. MTS Systems Corporation is the exclusive source for the MTS Load frames, warranty and flexible preventive plan overview and are manufactured by MTS Systems Corporation. A detailed search on gsaadvantage.gov and other government sources of supply provided no vendors identified that can supply this product and services provided by MTS Systems Corporation is listed as a large business and the exclusive sales entity for this product at this time.
- c. This request is issued for the Dean of Faculty. Anticipated award on or before 25 May 2026 (subject to availability of funds) as a Firm Fixed Price Annual Purchase Order with four one-year option periods.

Considering the above, there is only solution that meets USAFA's requirements. Therefore, the contracting officer has determined that the circumstances of the contract action deem only one source reasonably available IAW FAR 12.201-1.
