Attachment
SDVOSB, VOSB or JV Status

The NAICS Code for this procurement is 531120 Lessors of Nonresidential Buildings, and the small business size standard. Responses to this notice will assist VA's Office of Real Property (ORP) in determining if the acquisition should be set-aside for competition and restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127.

The magnitude of the anticipated construction/build-out for this project is:

(a) Between \$1,000,000 and \$3,000,000;

VA makes monthly rental payments in arrears upon facility acceptance and may elect to make a single lump-sum payment or amortize over the course of the firm term for specified tenant improvements. VA makes no progress payments during the design or construction/build-out phases of the project. This is not a request for proposals, only a request for information for planning purposes, and does not constitute a solicitation. A solicitation may or may not be issued.

Project Requirements: ORP seeks information from potential offerors who are capable of successfully performing a lease contract, including design and construction of the facility described above, for a term of up to 20 years, non-firm term included, as well as all maintenance and operation requirements for the duration of the lease term, at a fair and reasonable price. More information on VA's requirements can be found on the solicitations and expression of interest/sources advertisements, that are made public information via "Contract Opportunities" on www.SAM.gov.

SDVOSB and VOSB firms are invited to provide information to contribute to the market research for this project. SDVOSB and VOSB firms must be registered in through SBA's Veteran Small Business Certification (VetCert) at <https://veterans.certify.sba.gov>. All business concerns must have the technical skills and financial capabilities necessary to perform the stated requirements. All business concerns are requested to submit a Capabilities Statement if they are interested in participating in this project. A submission checklist and information sheet are provided below for firms to complete and submit, which will serve as the firm's capabilities Statement.

Capabilities Statement Will Include:

1. Company name, address, point of contact, phone number, Experian Business Identification Number, e-mail address, and an organizational chart showing the ownership percent for each individual of the SDVOSB or VOSB firm.
2. If you are a Joint Venture (JV) and intend to submit an offer as such, you must provide evidence verification of the Joint Venture's certification status as a legal SDVOSB entity and a copy of your Joint Venture agreement (a UEI number in the JV name, CAGE number identified for the JV, and proper JV agreement in place).
3. If you are qualified as a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB) under NAICS Code 531120 Lessors of Nonresidential Buildings with the small business size standard, you must meet the requirements outlined in accordance with SBA

and any applicable grace period allowable under the new SBA regulations. SBA has assumed control over the SDVOSB and VOSB certification process. Contractors seeking SDVOSB or VOSB verification must be registered on SBA's website (<https://veteranscertify.dba.gov>) notwithstanding any applicable grace period that allows a former CVE.

4. If you are qualified as a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB) under NAICS Code 531120 provide evidence of ability to offer as a small business in the System for Award Management at www.sam.gov, including a copy of the representations and certifications made in that system;
5. A detailed summary describing at least two (2) projects of similar size, scope, and complexity completed in the past seven (7) years that demonstrate your company's experience designing, constructing, and managing Federal leased facilities relevant to a VA project of comparable size (2-page limit); and
6. Evidence of capability to obtain financing (for a project of this size in current market conditions) dated within the last 120 days of EOI due date. Evidence should be in the company name and in the form of a conditional commitment funding letter from a verifiable lender or certificate of deposit in the company name identifying funds available for a VA project of comparable size.
(Note: You must provide contact information for verification of financing.)

Although this notice focuses on SDVOSB and VOSB, we encourage all small businesses and other interested parties to respond for market research purposes.
