**** This is an SSN for the purpose of conducting market research. Proposals are NOT being requested, nor accepted at this time. Responses are being requested from both Large and Small Businesses. ****

1. Purpose:

- a. The purpose of this SSN is to gain knowledge regarding the types of interested businesses and their qualifications. Information obtained through this SSN by the National Park Service (NPS) will be utilized to develop the acquisition strategy. The amount of interest, or lack thereof, will determine the possibility of a Small Business or other Socio-Economic Set-Aside for solicitation and award purposes. Analysis of the quality of responses to this SSN will be considered in the market research being conducted and in the making of any set-aside determination for this requirement.
- b. The Government anticipates conducting a competitive acquisition for this requirement. The amount of interest or lack thereof will determine the possibility of a small business or other socio-economical small business set-aside for the solicitation. Analysis of the quality of responses to this source sought announcement will be considered in the market research being conducted, and in the making of any small business set-aside determination for this requirement.
- c. No solicitation, proposal package, specifications, or drawings are available with this SSN.

2. Cost Reimbursement: Response to this announcement is strictly voluntary. No reimbursement will be made for any costs associated with providing information in response to this SSN, nor any follow-up information requests.

3. Bonding: Bid, Performance, and Payment Bonds are anticipated to be required.

4. North American Industry Classification System (NAICS) Code: 237310 – Highway, Street, and Bridge Construction and Size Standard: \$45 Million

5. Project Description:

- a. The project is located at Golden Spike National Historic Park, UT.
- b. Magnitude of construction is between \$1,000,000 and \$5,000,000.
- c. The surrounding area is rural with limited staging located within the Park.

- d. The work under this contract will be located adjacent to and within the main Visitor Center Area of Golden Spike National Historic Park. Coordination will be necessary for equipment inspections, material delivery, and phasing of the project work to not interrupt the operation of visitor uses during construction.
 - e. The construction site is approximately 35 miles from the nearest suppliers and lodging facilities.
 - f. The Park will remain open during construction, thus contract activities and logistics must be structured and scheduled to minimize visitor impact.
 - g. The site requires protective measures to ensure the surrounding area remains undisturbed.
 - h. The work may take place when another construction project is active for Golden Spike National Historic Park Visitor Center reconstruction. As such, coordination with other construction activities will be required.
 - i. The anticipated Period of Performance (PoP) is 172 calendar days, not including any potential weather shutdown.
6. **Project Scope**: The work includes parking lot, drive aisle, and roadway improvements at four (4) locations within Golden Spike National Historic Park. Work specifically includes: pavement rehabilitation, new concrete sidewalk and ADA parking stalls, curbing repair, minor shed demolition, placement of asphalt millings, minor grading work, curb stop installation, and new MUTCH signage.
7. **Solicitation**: NPS Denver Service Center (DSC) anticipates issuing a competitive Request for Proposals (RFP) around the Spring of 2026 and awarding a single Firm-Fixed-Price (FFP) contract.
8. **Submittal Instructions**: Responses shall be captured by filling out (in its entirety) the attached Sources Sought Survey Questionnaire. The interested Contractor shall respond no later than 1200 Mountain Daylight Time (MDT) on 18 March, 2026 by emailing the questionnaire to the Contracting Officer at Samantha_Cahill@nps.gov.
