Labor Day	First Monday in September
Columbus Day	Second Monday in October
Veterans Day	November 11
Thanksgiving Day	Fourth Thursday in November
Christmas Day	December 25

When a holiday falls on a Sunday, the following Monday shall be observed as a legal holiday by U.S. Government agencies. When a holiday falls on a Saturday, the preceding Friday shall be observed as a legal holiday by U.S. Government agencies. Also included would be any other day specifically declared by the President of the United States as a National Holiday.

CHANGES TO CONTRACT:

Only those services specified herein are authorized. Before performing any service of a non-contractual nature, the Contractor shall advise the Contracting Officer of the reason(s) for the additional work and/or service. Changes to the resulting contract shall not be authorized and reimbursement shall not be made for any work or services performed outside the scope of this contract, unless prior authorization is obtained in writing from the Contracting Officer.

CONTRACTING OFFICER REPRESENTATIVE (COR):

Delegation of Authority letter(s) shall be forwarded to the using service and Contractor after agreement has been signed, identifying the individual(s) as the COR(s). No service shall be provided without the approval of the COR or his/her designee of this contract.

The Contractor shall not accept any instructions issued by any other person(s) other than the Contracting Officer or his/her delegated representative(s) acting within the limits of his/her authority.

CONTRACTOR MAINTENANCE PERSONNEL

All contractor personnel who are production personnel shall possess the skills, knowledge and ability to perform the services required by this contract and must be OEM Factory trained and employed by the awarded contractor or subcontractor

and shall be able to understand speak, read and write the English language fluently. All personnel employed by the contractor in the performance of this contract, or any representative of the contractor entering The Beckley VA Medical Center VA installations, shall abide by all the regulations of the installation which may be in effect during the contract period .The Hershel "Woody" Williams VA Medical Center has the right to restrict access to The Hershel "Woody" Williams VA Medical Center installations under the contract of any contractor employee, or prospective contractor employee, who is identified as a potential threat to the health, safety, security, general well-being or operational mission of the installation and its population. Tank tops, tee shirts, and worn outerwear are prohibited. The contractor shall perform work requirements in a manner to protect building occupants from any harm or injury. Work shall be scheduled to afford this protection.

RESPONSE TO SERVICE CALLS

The contractor will respond to service calls during normal working hours, Monday through Friday. Excluding holidays observed by the Federal Government. The vendor must respond to service calls within 12 hours after notification of malfunction of production equipment. The response time on a service call starts when the authorized personnel of a Hershel "Woody" Williams VA Medical Center agency/activity places a service call to the vendor. The service technician will report to the agency/activity requesting service and notify them of his/her arrival and verify the problem for which the service call was made. After the call is completed, the service technician will contact the service requester, key operator, or VA representative with the office, whether or not service was completed satisfactory.

The contractor must provide a telephone number for service calls which must be answered during at least eight working hours, between 8:00am and 4:30pm, Monday through Friday. The contractor shall also provide for placing service call through the contractors web-site and provide for ordering supplies over the internet.

The vendor must have sufficient management and qualified dedicated technicians to service the entire solution, including all hardware, software and support. The vendor must have a crew of qualified and trained service and delivery personnel in sufficient numbers to service and support the requirements under contract within the specified response times.

The contractor shall provide training for key operators at the time of installation. When notified, the contractor shall supply additional key operator training on an 'as needed- basis due to personnel turnover or one (1) time per year for refresher. The contractor shall furnish an operator's manual for all hardware and software supplied and will make such manuals available in electronic media or web-based access.

CONSUMABLE SUPPLIES

All consumable supplies are to be furnished by the contractor, including toner, and staples. **Excludes**, paper and transparencies.

MAINTENANCE REPORTS

The contractor shall complete a maintenance report upon the completion of each maintenance service/repair call. Report shall include time of arrival on-site, date and time of service completed; and a description of service(s) rendered. A copy of the reports shall be forwarded if requested to the COR within 5 working days.
