NOTE:

This solicitation is hereby reopened due to changing from limited competition to full and open competition, only the offers received on time within the time frame listed on this amendment will be acceptable.

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. In addition to price, the following Non-price evaluation factor shall be used to evaluate offers and are listed in descending order of importance, descending order of importance.

Relevant Past Performance
Technical Capability
Delivery

The non-price evaluation factors, when combined, are significantly more important than price. There are no subfactors.

The Government reserves the right to obtain information for use in the evaluation of past performance from any and all sources including sources outside of the Government. Offerors lacking relevant past performance history will not be evaluated favorably or unfavorably on past performance. The Government will consider the quality of an offeror's relevant past performance. This consideration is separate and distinct from the Contracting Officer's responsibility determination. The assessment of the offeror's relevant past performance will be used as a means of evaluating the relative risk of the offeror and other competitors in successfully meet the requirements of the RFP. In determining the rating for the past performance evaluation factor, the Government will give greater consideration to the contracts which the Government feels are most relevant to the RFP.

The Government reserves the right to award the contract to other than the lowest priced offeror.

Contractors are informed that it is the Government's desire to make award on initial proposals when deemed possible by the Contracting Officer, however the Government reserves the right to communicate and/or negotiate with offerors if later determined necessary.
