The vessels "M/V Bold Horizon" meets all specifications and requirements needed and is available to schedule within the short window of time afforded before training is scheduled to commence and is within the San Diego area. If the Training is not accomplished as scheduled MSRT WEST Members will lapse in there qualification resulting in MSRT WEST LOSS of Qualified members to fulfill the Unit Mission of SHORT NOTICE MARITIME RESPONSE (SNMR). MSRT WEST has made various solicitations to other vessels and researched into other options has not yielded alternatives.

No other USCG, NAVY, NOAA or civilian vessels in the area are available to conduct this same type of training.

M/V Bold Horizon meets all requirements for length, width and open deck space. Captains and crews have experience in hosting similar exercise conducted by the USCG, USN and USMC.
