

**STATEMENT OF WORK FOR CLINICAL LABORATORY TEST SERVICES FOR THE
WAGNER IHS HEALTHCARE FACILITY IN WAGNER, SOUTH DAKOTA FOR
THE PERIOD OF PERFORMANCE OF JUNE 1, 2026 TO MAY 31, 2027.**

BACKGROUND:

Some clinical laboratory services for direct patient care testing are obtained from an off-site laboratory that cannot be done at the Wagner IHS Healthcare Facility in Wagner, South Dakota. These tests are usually of the communicable type that need to be reported to the States Department of Health. We would like to have these tests performed at the location that they are reported to. This can decrease the time to notify and thereby decreasing the time to track the individual.

PURPOSE:

The primary purpose of this purchase order is for the provision of clinical laboratory patient testing, when requested by staff physicians, that are not done at the Wagner IHS Healthcare Facility. These tests are typically of the communicable type and by having the test ran at the State Department of Health, turnaround times to report and track are decreased. This allows for the possible decrease in transmissions of these diseases.

TASKS:

Clinical laboratory services shall be provided for the Wagner IHS Healthcare Facility. Specimens will be sent via courier to the off-site laboratory for testing.

1. The services will include the following but not limited to: blood lead, chlamydia, gonorrhea, & HIV.
2. The Contractor shall provide accurate testing on all specimens received from the Wagner IHS Healthcare Facility in a timely manner which is determined by the specific tests being requested.
3. The testing laboratory will be required to report those diseases that are required to be reported to the South Dakota Department of Health. This governed by SD Codified Law and Administrative Rules of South Dakota.

PERIOD OF PERFORMANCE:

This purchase order shall begin from June 1, 2026 to May 31, 2027.

GOVERNMENT-PROVIDED EQUIPMENT/SERVICES:

No Government-provided equipment is needed at this time.

CONTRACTOR-PROVIDED EQUIPMENT:

The Contractor shall provide the mailers, shipping containers and any other special requirements necessary for transferring of specimens.

QUALITY OF CARE:

The State Department of Health laboratory will provide the requesting IHS laboratory with hard copies of each test result from the contract laboratory using the best time and cost-efficient means available. Reports for commonly ordered tests will be resulted to the requesting laboratory. The reports in addition to the test results will include the name of the laboratory and director, patient name, patient identification number, date and time specimen collected, date specimen received in contract laboratory, and date result reported. The report will be chart-ready, include age and sex reference ranges, and have all test results for a patient requested on any one day reported on a single report form.

These tests are followed by the South Dakota State Lab for outbreaks and trending and the South Dakota State Lab then notify the contacts of the positive tested individual for further testing as well.

The Contractor shall meet all current accreditation requirements. The Contractor shall agree to abide by the HIPAA standards and the privacy act.

The off-site laboratory does NOT come on-site to perform these patient clinical tests.

The Contractor understands that the Indian Health Service will not pay or withhold on behalf of the Contractor any sums for federal or state income tax, any other federal or state tax, unemployment insurance, social security, Worker's Compensation or any other withholding pursuant to any law or requirement. All such payments and withholdings are the sole responsibility of the Contractor.
