DESCRIPTION

Special Notice – Notice of Intent to Award a Sole Source Procurement

MEDVAMC is seeking to procure Medtronic Affera Catheters for the Pulmonary Embolism Team in the Cardiology Cath Lab. This generator and catheters are an FDA-approved, all-in-one, high-density catheter technology designed to treat cardiac arrhythmias, particularly atrial fibrillation (AFib). It uses the Sphere-9 catheter to deliver both Pulsed Field Ablation (PFA) and Radiofrequency (RF) energy, offering faster procedures and a 9mm flexible tip for safer, more precise, and efficient mapping and ablation. Cardiology is requesting an IDIQ contract for the consumables.

The Department of Veterans Affairs, Veterans Health Administration, Network Contracting Office 16, intends to award a firm-fixed priced purchase order to MEDTRONIC USA INC. at 710 Medtronic PKWY, Minneapolis, MN 55432, for the procurement of the following items:

REF #	Description	QTY
AFR-00016	Affera™ Integrated Mapping System	1
AFR-00004	HexaGen RF Generator	1
AFR-00005	HexaFlow Irrigation Pump	1
AFR-00008	HexaPulse PF Generator	1
AFR-00013	System Cart	1
	Medtronic Sphere 9 Catheters	133
	Tubing Sets	33
	Catheter Extension Cables	133
	Impedance Localization Patch Kits	33
	Standard Service Agreement	1

The proposed sole source is to MEDTRONIC USA, INC. Medtronic is the manufacturer of these catheters. The Sphere-9 Catheters are the only catheters currently available which do mapping, catheter, pulsed field ablation, and radio frequency ablation in one catheter.

This notice is not to be considered a request for quotations or proposals. No contract will be awarded based on offers received in response to this notice; however, all responsible sources may submit a capability statement, proposal, or quotation, which shall be considered by the agency. Proposals or offers received will be used to determine if a comparable source is available and more advantageous to the government. Please provide authorization letters in response if applicable. If no affirmative written response is received within 5 business days from the publication of this notice, a contract or order will be issued to MEDTRONIC USA, INC. without any further notice.

Special Notice

All submissions shall but submitted electronically via email to the contracting POC Eugene Jackson at Eugene.Jackson2@va.gov no later than 12:00pm 24 MAR 2026. No other submission methods will be considered.

The anticipated statutory authority permitting other than full and open competition for the requirement is 41 U.S.C. 3304(a)(1), as implemented by FAR 6.103-1, only one responsible source and no other supplies or services will satisfy agency requirements.
