

Federal Emergency Management Agency (FEMA)
Region IV
Sources Sought Notice (SSN) 70FBR426I00000003 if applicable
March 17, 2026

SOURCES SOUGHT NOTICE (SSN) SUMMARY: The Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), Region IV, requires delivery, set up, maintenance, pickup, and removal of porta-potties and handwashing stations, dumpsters, and light towers to support Incident Support Teams that would be activated in the event of a disaster.

THIS SOURCES SOUGHT NOTICE IS NOT A REQUEST FOR PROPOSAL. This is a market research tool being used for information only to be used for determining the availability and adequacy of eligible business sources to meet FEMA Region IV needs. No reimbursement will be made for any costs associated with providing information in response to this Sources Sought Notice or any follow-up information requests. The Government is not obligated to and will not pay for any information received from industry sources as a result of this Sources Sought Notice. Respondents will not be notified of the results of the Sources Sought Notice or resulting market research.

PROPRIETARY INFORMATION AND DISCLAIMERS: Respondents shall identify any proprietary information in their SSN response. Information submitted in response to this SSN will be used at the discretion of the Government. Further, the information submitted will remain confidential insofar as permitted by law, including the Freedom of Information and Privacy Acts. FEMA reserves the right to utilize any non-proprietary technical information in the anticipated PWS or solicitation.

Although it is not necessary to address in their response, respondents shall be aware of any potential, actual, or perceived organizational conflicts of interest. Any real or potential conflicts must be sufficiently mitigated prior to a contract award. For further guidance, refer to the Federal Acquisition Regulation, Part 9.5.
