The Federal Bureau of Prisons is conducting market research in accordance with Federal Acquisition Regulation, Part 10. A single solicitation will be issued for Upgrade Health Services Elevator at FCI Englewood. The Federal Bureau of Prisons (FBOP), FCI Englewood located at 9595 W. Quincy Ave., Littleton, CO 80123, intends to make a single award to a responsible entity that will provide all necessary equipment, labor, materials, and incidentals for the project titled Upgrade Health Services Elevator.

**This market research questionnaire is for informational purposes only. The described requirement may or may not be included in the subsequent solicitation.**

A summary of the requirements is as follows:

The Federal Bureau of Prisons, FCI Englewood, intends to procure services for a comprehensive modernization of the Health Services passenger elevator (ELEV-01-ENG). The existing OTIS traction/cable elevator (3,000-lb capacity, 3 stops, Motion Control VFMC-1000-PTC controller) will undergo a full overhaul including replacement of obsolete controllers, drive systems, hoist machine, motor, brake, governor systems, ropes, wiring, communication systems, and associated safety equipment.

Work includes installation of new microprocessor-based controls, ACVVVF drive equipment, emergency braking devices, seismic components, door equipment, signal fixtures, two-way communication systems, and machine-room upgrades. The contractor will refurbish or replace hoistway components, provide new hoistway door panels, update restricted-floor security features, and ensure compliance with ASME A17.1, applicable building codes, and all performance requirements (speed, leveling, door timing, noise/vibration limits).

Access to the Statement of Work and any other documents are located on SAM.gov under Notice ID 15B40326PR000180 and will require an active <https://sam.gov> vendor registration (login). If you encounter problems accessing these documents, please contact the Federal Service Desk at 866-606-8220.
