

NOTICE OF INTENT TO AWARD SOLE SOURCE

The Marine Corps Installation East (MCIEAST) Regional Contracting Office, Camp Lejeune, NC hereby gives notice of their intent to award a firm fixed-price Contract to JP Logistics and Consulting, LLC, (CAGE:6ZQ90) , 5213 Farmcrest CIR, Prince George, Virginia 23875 on a sole source basis in accordance with the Federal Acquisition Regulation (FAR) Subpart 19.108-3(b)(i)(A) Vendor was the previous contractor for the same services.

This procurement is to provide health services support in Defense Medical Logistics Standard Support database management, data entry, system transactions, medication line listing management, National Stock Number (NSN) updates in DMLSS for up to 300 AMALs and ADALs. Support for Medical Materiel Management and Enterprise Management of Class VIII is required to meet objectives from Marine Corps Systems Command (MARCORSYSCOM) for MEDLOGCOs. Furthermore, due to the heavy demand for Biomedical Engineering Technicians (BMET) and low density of available personnel across the Marine Corps, a BMET will be provided. Contractor Logistics Support personnel shall coordinate tasking and priority of work assignments with MEDLOGCO Operations Officer or Executive Officer. Market research has revealed this contractor is an 8(a) participant and the incumbent. Therefore, the government intends to procure these services on a sole source basis from JP Logistics and Consulting, LLC.

THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE QUOTES. However, all responsible sources may submit a capability statement indicating their ability to satisfy this requirement. Responses must be received at the Contracting Office no later than 12:00 AM EST, 31 March July 2026. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement. A determination by the Government not to compete this proposed contract is based upon responses received as a result of this notice is solely within the discretion of the Government.
