13. SECURITY GUIDANCE

The security classification guidance for classified information needed for this effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended.
(Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. The field will expand as text is added. When removing any expanded text area, use delete key or backspace key, then click out of the text field for it to shrink after the text has been deleted. Also allows for up to 6 internal reviewers to digitally sign. See instructions for additional guidance or use of the fillable PDF.)

Compliance with FAR clause 52.247-68, Report of Shipment (REPSHIP), is required: Classified material deliveries require use and performance of FAR clause 52.247-68 REPSHIP to provide point of contact verification and shipment notification, and coordinate classified material deliveries with the destination Transportation Officer (TO).

Per the NISPOM 32 CFR Part 117, contractors requiring access to classified information under the performance of this contract must be U.S. citizens and possess a DoD issued security clearance for the appropriate level. Additionally, access to classified information will be limited to those personnel with the appropriate clearance and a valid need-to-know. Contractor personnel needing access to Restricted Data and classified information will hold a clearance at the appropriate level. The contractor shall properly safeguard For Official Use Only (FOUO) information from disclosure and will use it solely for contract performance.

All Classified material will be returned or destroyed as delineated in NISPOM 32 CFR Part 117.15 unless:

- a. A written request is submitted to and authorization is received from the NAVSUP Security Classification Program Manager to retain specifically identified classified material.
- b. The NAVSUP Security Classification Program Manager has directed its return.

-Contractor personnel shall not discuss classified information or unclassified technical sensitive information on an unsecured telephone, or disclose such information to any unauthorized personnel. Contract performance does not require the use of a STE telephone for secure voice communications.

-In support of the Loss Prevention Program, the contractor will immediately report any compromise or suspected compromise of classified material, suspicious behaviors/activities, and missing, lost, stolen, or recovered property to the using agency's Security Officer and the contractor's Cognizant Security Office for immediate attention and corrective security measures.

-Transportation of classified items should be IAW DTR 4500.9-R

-The Prime Contractor will invoke the foregoing provisions on all subcontracts that may be initiated in association with this contract.

- Any classified material produced under the terms of this contract will be marked, handled, stored and transmitted in accordance with the NISPOM, 32 CFR PART 117, National Industrial Security Program Operating Manual (NISPOM).

Ref 10j: Controlled Unclassified Information (CUI) / Receive, Store, or Generate Controlled Unclassified Information (CUI): Contractor will be provided and will abide by DoD Regulation 5400.7, DoD Freedom of Information Act Program, and DoD 5200.01-M, Information Security Program. Guidance provided under separate cover. In accordance with DoD Instruction 5200.48 (DoDI 5200.48) dated March 6, 2020, Contractors are required to ensure all personnel receive and complete Initial and Annual Refresher CUI education and training and maintain documentation of this training for audit purposes. Initial and Annual Refresher CUI security education, training and awareness on the required topics identified in Section 2002.30 of Title 32 CFR, including protection and management of CUI, to DoD personnel and contractors through the Center for Development of Security Excellence (CDSE).

- CUI Courses and Resources Created for Industry:
- The Center for Development of Security Excellence (CDSE) has developed an eLearning course titled DoD Controlled Unclassified Information (CUI) Training For Contractors (IF141.06.FY21.CTR). The course fulfills CUI training requirements for industry.
- Additionally, CDSE has a CUI Toolkit available at <https://www.cdse.edu/toolkits/cui/current.html>. The Toolkit includes training, policy documents, resources, and an FAQ video.
- Review the DoD CUI Registry at <https://www.dodcui.mil> to become familiar with CUI organizational index groupings and CUI categories. Policy documents addressing CUI oversight:
