**Protective Coatings Requirements Contract**

**THIS IS NOT A SOLICITATION!** This notice does not constitute a commitment by the Government. All information submitted in response to this announcement is voluntary and the Government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the Government.

The 319th Contracting Squadron, Grand Forks AFB, North Dakota, is issuing this Sources Sought as a means of conducting market research to identify parties having the resources to provide the following:

For base industrial facilities (no work to be performed in Military Family Housing), the Contractor shall perform both exterior and interior painting. The Contractor shall paint walls, ceilings, concrete floors, exterior building surfaces, pavements, parking lot striping, airfield striping, parking ramp markings (arrows), and fire hydrants; install and repair wall coverings; tape, bed, and texture walls. Additionally, crosswalk maintenance and striping of streets/parking areas: streets, airfield, and parking lots shall be painted per Contracting Officer's or project inspector directions. Crosswalk tape shall not be used.

The government is contemplating either a 5-year or 10-year ordering period.

The result of this market research will contribute to determining the method of procurement.

The current incumbent is MDM Construction. This is not a new requirement.

The applicable North American Industry Classification System (NAICS) code assigned to this procurement is 238320- *Painting and Wall Covering Contractors*

**NOTE:** *If you believe the above NAICS to be incorrect please suggest alternate NAICS for this acquisition.*
