

A site visit is anticipated and will be held as indicated below:

Date: Friday, April 17, 2026

Time: 11:00 A.M. to 12:00 P.M. Central Time

Location: Building 343, Johnson Space Center (JSC)

Please note that this event will be conducted in person and no virtual option will be provided. Attendance at the site visit is recommended; however, attendance is neither required nor a prerequisite for proposal/bid submission and will not be considered in the evaluation during source selection.

Attendance is restricted to a maximum of two (2) attendees from each Prime Offeror only. Sub-Contractor attendance must be coordinated within the Prime's maximum of 2 attendees due to space limitation.

Offerors are required to notify the Contracting Officer by e-mail to jsc-CAMSV@mail.nasa.gov no later than Friday, April 10, 2026, at 9:00 A.M. Central Time to confirm attendance and specify the names of the attendees from their respective companies. Please provide the following for each attendee:

- Company Name
- The Visitor's First & Last Name (as listed on their driver's license)
- The Visitor's Email Address (this is required for visitor badge)
- Verify the visitor is (US Citizen or Lawful Permanent Resident)

Any applicable Center-specific security requirements for this site visit will be given to a company representative prior to the conference.

- No firearms or weapons are allowed on-site
- Vehicle is subject to random vehicle inspections
- Follow posted speed limits
- Be prepared to show driver's license when entering JSC
- Pedestrians have right-of-way at posted cross walks

Any "lobbying firm or lobbyist" as defined in 2 U.S.C. 1602(9) and (10), or any Offeror represented by a lobbyist under the Lobbying Disclosure Act of 1995 shall be specifically identified.

JSC Visitor Credentialing Guidance

The Visitor must be a U.S. Citizen or LPR. The Visitor cannot be a foreign national.

Visitor Badges are processed through a system named Enterprise Visitor Access Management System (EVAMS).

Visitor's e-mail address is required to send the visitor a link to complete their visit request. This requires the visitor to enter their date of birth, type of identity document, and number for that document. Please inform your attendees before their visit that they must open that email link and enter their information; there is no work-around for that. If they do not see the email, they should check their spam, junk, or quarantine folders in their email inbox.

Please allocate time for visitor badge issuance, so you can arrive at Measurement Standards and Calibration Laboratory (MSCL) by 11:00 AM.
