SUBJECT: Sole Source Justification for Kardex Remstar Lektriever Relocation

1. 76 CMXG is requesting utilization of funds for the Kardex Remstar Lektriever Relocation. The vertical carousel will be used for storage of the Work Control Document (WCD) files in the planning office.
2. Southwest Solutions Group, Inc. is the exclusive authorized factory sales and service dealer for all Office & Government Kardex Remstar equipment in the States of Texas, Oklahoma, New Mexico, Colorado, Wyoming, and Montana. Southwest Solutions Group, Inc. will manage the relocation of one (1) Kardex Remstar Lektriever 125-1611S (SN 301000351 0/001) vertical carousel system, including its disassembly, transport, reassembly, and installation. To maintain the validity of all warranties, it is crucial to use the factory-authorized dealer, Southwest Solutions Group, Inc., as services from non-certified resellers will render them void.
3. Based on the information above, 76 CMXG requests the utilization of funds for the purchase of the Kardex Remstar Lektriever Relocation. To maintain the validity of all warranties, it is crucial to use the factory-authorized dealer, Southwest Solutions Group, Inc., as services from non-certified resellers will render them void. 4. Market research was performed reviewing Dynamic Small Business Search (DSBS) and System for Award Management (SAM) databases using North American Industry Classification System (NAICS) Code (333248) looking for companies that could provide a Kardex Remstar Lektriever Relocation under Federal Supply Classification (FSC) J049. Market research identified Southwest Solutions Group, Inc. as the sole authorized factory sales and service dealer for Government Kardex Remstar equipment in Oklahoma. This was confirmed after consulting with the Original Equipment Manufacturer (OEM), Kardex Remstar. One (1) Rough Order Magnitude (ROM) was received with the package from the customer from Southwest Solutions Group, Inc. The OEM verified that other potential dealers are no longer authorized for government contracts. Based on these findings, sole-source acquisition is deemed to be in the Government's best interest.

5. The Government will continue to monitor the market for future purchases to see if competition can be opened at that time.
6. I have determined, in accordance with FAR 13.106-1(b) (1), that the circumstances of this contract action deem only a sole source is reasonably available.
