PERFORMANCE WORK STATEMENT

Service- Scissor Lift Rental

PART 1

GENERAL INFORMATION

1. GENERAL: This is a non-personal services contract to provide leasing of one (1) each scissor lift. The Government shall not exercise direct supervision or control over any contractor employees. Notwithstanding, contractor shall ensure employees comply with all requirements of this Performance Work Statement (PWS) and contract.

1.1 Description of Services/Introduction: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform operational lease of scissor lift rental as defined in this Performance Work Statement except for those items specified as government furnished property and services. The contractor shall perform to the standards in this contract.

1.2 Background: Puget Sound Naval Shipyard (PSNS) is an industrial complex whose mission is to maintain, modernize and retire the Navy fleet with a vision of on-time maintenance, modernization, and retirement of the U.S. Navy's fleet. The shipyard in Bremerton is the Pacific Northwest's largest naval shore facility and one of Washington State's largest industrial installations.

In order to accomplish this mission PSNS utilizes scissor lifts. In order to meet the mission's demand the government must subsidize its inventory of government owned scissor lifts by leasing additional scissors lifts.

1.3 Objectives: The requirement is to provide leased scissor lift services for the installation and aboard ships at Bremerton, Washington.

1.4 Scope: Leasing of a scissor lift with a platform height of 26' for a 6-month ordering period at the locations listed in paragraph 1.7.1. Services include leasing, transportation, inspection, maintenance, and emergency repair of the scissor lift.

1.5 Period of Performance: The ordering period shall be: See the Delivery Schedule in Section F of the contract.

1.6 Quality Assurance: The government shall evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rate(s).

1.7 Location:

1.7.1 Place of Performance: The work to be performed under this contract will be performed at Puget Sound Naval Shipyard. If maintenance/ repair cannot be completed in one day the contractor shall transport the scissor lift to contractor repair facility to perform work at no additional cost to the government.

1.7.2 Hours of Operation: The contractor is responsible for conducting business, between the hours of 0700-1600 Monday thru Friday except Federal holidays or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings. For other than firm fixed price contracts, the contractor will not be reimbursed when the government facility is closed for the above reasons. The Contractor must at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS when the Government facility is not closed for the above reasons. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce are essential.

1.7.3 Recognized Holidays: Contractor is not required to perform services on federal holidays. The list of current federal holidays can be found here: <https://www.opm.gov/policy-data-oversight/pay-leave/federal-holidays/>

In addition to the above listed holidays, Puget Sound Naval Shipyard is normally closed except necessary services during the week between Christmas Day and New Year's Day (curtailment). Necessary services/ frequencies for various facilities are noted on the detail sheets and work contracted for shall be performed during this period unless otherwise directed by the Contracting Officer. Exact number of closure days may vary from year to year. Actual requirements will be determined in advance of the closure. On site work performed by the Contractor for the Contractor's convenience during this time must also be specifically requested by the Contractor in writing and approved by the Contracting Officer in advance.

1.8 Security Requirements: Contractor Employees, in order to gain access to the government facility identified in paragraph 1.7.1 to perform work under this contract, shall comply with the Badging and Access Requirements Attachment to the solicitation/contract.

1.9 Post Award Conference/Periodic Progress Meetings: The Contractor agrees to attend any post award conference convened by the contracting activity or contract administration office in accordance with FAR Subpart 42.5. The contracting officer, Contracting Officers Representative (COR), and other Government personnel, as appropriate, may meet periodically with the contractor to review the contractor's performance. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the government.

1.10 Contracting Officer Representative (COR): The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract; perform

inspections necessary in connection with contract performance; maintain written and oral communications with the Contractor concerning technical aspects of the contract; issue written interpretations of technical requirements, including Government drawings, designs, specifications; monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of government furnished property, and provide site entry of Contractor personnel.

The COR is NOT authorized to change any of the terms and conditions of this contract. Only the warranted Contracting Officer is authorized to make modifications/changes to the terms and conditions of this contract. If the Contractor believes any Government personnel has effectively issued a change resulting in a change in effort and price/cost of the contract, the Contractor shall immediately notify the Contracting Officer in writing.

1.11 Contract Manager: The contractor shall provide a contract manager who shall be responsible for the performance of the work. The name of this person and an alternate who shall act for the contractor when the manager is absent shall be designated in writing to the contracting officer. The contract manager or alternate shall have full authority to act for the contractor on all contract matters relating to execution of this contract.

1.12. Identification of Contractor Employees: All contractor personnel working in situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression that they are Government officials. All contractor personnel on a government installation will be required to obtain and wear badges in the performance of this contract.

1.13 Contractor Travel: All contractor personnel will be required to travel from place of business in CONUS to PSNS & IMF Bremerton, WA.

PART 2

DEFINITIONS & ACRONYMS

2. DEFINITIONS AND ACRONYMS:

2.1. COMMON DEFINITIONS: Per FAR clause 52.212-4(e), FAR 52.202-1, Definitions is incorporated by reference to this contract.

252.232-7006 Wide Area WorkFlow Payment Instructions. (Jan 2023)

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) *Definitions.* As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six-position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) *Electronic invoicing.* The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) *WAWF access.* To access WAWF, the Contractor shall-

- (1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and
- (2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) *WAWF training.* The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>

(e) *WAWF methods of document submission.* Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) *WAWF payment instructions.* The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) *Document type.* The Contractor shall submit payment requests using the following document type(s):

- (i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.
- (ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

Invoice 2-in-1

- (iii) For customary progress payments based on costs incurred, submit a progress payment request.
- (iv) For performance-based payments, submit a performance-based payment request.
- (v) For commercial financing, submit a commercial financing request.

(2) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) *Document routing.* The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

252.204-7017 Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation. (May 2021)

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) *Definitions.* "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) *Prohibition.* Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) *Representation.* If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [] will [] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) *Disclosures.* If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

ADDITIONAL WAWF INSTRUCTIONS

Additional WAWF Information

To ensure prompt payment and accountability the Contractor shall input the following Agency Accounting ID (AAI) in the Line-Item Information section on all WAWF Receiving Reports and Invoices:

AAI - 050120

Ensure the routing table contained in Clause 252.232-7006 is followed exactly when submitting invoices. Specifically, the WAWF System will allow the submittal of invoices without mandatory completion of the "Inspect By" DODAAC. Failure to follow the routing table and insert the correct "Inspect By" DODAAC may result in immediate rejection of invoice and require resubmittal without any accrual of interest.

Additional WAWF Email Notifications:

When submitting an invoice into the WAWF system, the Contractor shall enter the email addresses identified below in the "Send Additional Email Notifications" field.

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation) (Feb 2026)

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

- (i) Technical capability of the item offered to meet the Government requirement,
- (ii) Ability to meet the Period of Performance,
- (iii) Price, and
- (iv) Past performance

Technical and past performance, when combined, are approximately equal to price (IAW FAR 15.304).

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
