

SOURCES SOUGHT NOTICE

The United States Air Force (USAF), Air Force Reserve Command (AFRC) at the 934th Minneapolis Air Reserve Station, MN is currently conducting market research and seeking sources to provide an “Architect Design Service” for Repair Emergency Services, Building 710.

Project Number: QJKL 25-0014

Under Sources Sought #934CONF-26-0002 we are requesting responses to the following criteria that can provide the required services. The anticipated North American Industry Classification System Code (NAICS) for this requirement is 541310 “Architectural Services” with the corresponding size standard of \$12.5 Million.

DESCRIPTION OF WORK:

Contractor shall Provide professional design services (Title I Type A, Title I Type B and Title II Services) all supervision, labor, materials and equipment necessary to fully meet all requirements of the Statement of Work (SOW), SOW Drawings and all other Contract Documents related to and/or titled: “REPAIR EMERGENCY SERVICES B710” at the Minneapolis Air Reserve Station, Minneapolis, Minnesota. To determine potential eligibility, see attached the Statement of Work (SOW)

BACKGROUND:

B710 was previously utilized by the 27th Aerial Port Squadron. The building was constructed in 1984 with an addition added in 1989. Electronic PDF and AutoCAD drawings are available. The Designer of Record (DOR) shall investigate the site, develop drawings and specifications per Paragraph 1.03, submit design analysis and provide cost estimates. Title II services shall be provided by the DOR and awarded at a later date.

Magnitude of the design project is between \$250,000 and \$500,000.
