

Statement of Work (SOW)
Internal Revenue Service (IRS)
Correspondence Production Services
Roll Carts (Tecnau 18")

DESCRIPTION/SPECIFICATIONS/WORK STATEMENT:

C.1.0 BACKGROUND

The IRS prints, inserts and mails correspondence to taxpayers and corporations from three (3) IRS Correspondence Production Services (CPS) locations (Detroit, MI; Bloomington, IL and Ogden, UT). The IRS uses roll carts to provide easy transport of rolls weighing 1,000lbs from a pallet to the printing machine unwinder, eliminating manual lifting. Cart height matches the standard pallet for easy transfer. Rolls never touch the floor, keeping them clean and free from damage during movement.

C.2.0 SCOPE OF WORK

These specifications are for the purchase of roll carts to be used at the IRS Detroit, Michigan location.

C.3.0 PERIOD OF PERFORMANCE

The period of performance will be for delivery between 7 August 2026 – 30 September 2026, to IRS Detroit, MI.

C.4.0 DEFINITIONS

Contracting Officer (CO) - Person with authority to enter, administer, and /or terminate contracts and make related determinations and findings.

Contracting Officer Representative (COR) - Principal program representative assigned to Government acquisitions. Authorizes and denies actions and expenditures for delivery and tasks orders.

Technical Contact – Designated technical points of contact from CPS. These are IRS team members who will respond to technical questions from the vendor.

Correspondence Production Services (CPS) – IRS's high volume outbound mail processing organization with facilities located in Detroit, MI and Ogden, UT. CPS provides standardized first-class mail production, postal discounts using mail pre-sort, quality assurance through piece-level tracking, and round-the-clock printing, inserting and mailing services to support the full range of high volume correspondence mailing needs for the IRS.

C.5.0 GENERAL REQUIREMENTS

C.5.1 The contractor being considered for award shall be required to deliver 75 roll carts to the IRS Detroit, Michigan location.

Roll Cart specifications:

Height: 37 inches (94 cm)
Length: 43 1/2 inches (110 cm)
Width: 22 inches (56 cm)
Cart Weight: 90 lbs. (41 kg)

Qty: 75 carts
