4. There is no solicitation currently, and this request for capability information does not constitute a request for proposals. Submission of any information in response to this market survey is purely voluntary, and we assume no financial responsibility for any costs you incur to respond.
5. Responses to this notice are not offers and cannot be accepted by the government to form a binding contract. We will treat all submissions as business confidential materials, which will become government property, and will not return the submissions.
6. We are considering establishing multiple Blanket Purchase Agreements (BPAs) against Federal Supply Schedule (FSS) contracts. Learn more about the FSS program at <http://www.gsa.gov/schedules>. U.S. General Services Administration (GSA) has a FAST Lane vendor onboarding program. [FAST Lane: Making it easier | GSA](#)
7. If your organization has the potential capacity to perform H2TNG services, please provide the following information:
 - a. Organization name, address, email address, website address, telephone number, and size and type of ownership for the organization.
 - b. If you have a GSA contract: GSA contract number(s), applicable Serial Identification Number(s) (SIN).
 - c. Tailored capability statements addressing the particulars of this effort, with appropriate documentation supporting claims of organizational and staff capability.
 - d. If you anticipate significant subcontracting or anticipate teaming to deliver technical capability, address the administrative and management structure of such arrangements.

8. We will evaluate market information to ascertain potential market capacity to:
- a) Provide services consistent in scope and scale with those described in this notice and otherwise anticipated.
 - b) Secure and apply the full range of corporate financial, human capital, and technical resources required to successfully perform similar requirements.
 - c) Implement a successful project management plan that includes compliance with program schedules, cost containment, meeting/tracking performance, hiring/retention of key personnel, and risk mitigation.
 - d) Provide services under a performance-based service acquisition contract.
9. Based on the responses to the sources sought notice/market research, we may set aside this procurement for small businesses or procure through full and open competition, and we will make multiple awards. We will not provide feedback or evaluations to companies regarding their submissions in response to this notice.

Submission Instructions: We are inviting interested parties who consider themselves qualified to perform the above-listed services to submit a response to this notice by April 30, 2026. You must email your responses to this notice to travis.l.sutton@hud.gov and Gene.H.Jackson@HUD.gov.

Please contact Travis Sutton or Gene Hamilton Jackson if you have any questions concerning this opportunity.

When emailing your questions, responses, etc., the subject line of the email should read “FOUO\INFO: **Sources Sought Notice NFNC-2026-0310 H2TNG– (Insert Your Company Name)**”.
