

Sources Sought

08 April 2026

Fleet Logistics Center San Diego (FLCSD) Contracts Department is seeking information from potential small business sources to provide Security Management Mission and Readiness Support Services in Support of Commander, Littoral Combat Ship Squadron One, at Naval Base, San Diego, Ca. Contractor support is required to provide Security Management Program Mission Readiness to enhance warfighting readiness, increase the Security proficiency and improve the strategic communications of Littoral Combat Ship Squadron One, to include afloat and ashore claimants and staff. The contractor shall provide support in accordance with the attached draft Performance Work Statement (PWS). The primary North American Industry Classification System (NAICS) code for this procurement is 541618, Other Management Consulting Services.

The anticipated performance period will be one (1) year base from the date of award with one (1) year option.

The resulting award is anticipated to be a Firm Fixed Price (FFP). Disclaimer: This Sources Sought is for informational purposes only. This is not a request for proposal. It does constitute a solicitation and shall not be construed as a commitment by the Government. Responses in any form are not offers and the Government is under no obligation to award a contract as a result of this announcement. No funds are available to pay for preparation of responses to this announcement. Any information submitted by respondents to this technical description is strictly voluntary.

It is requested that all interested concerns respond with a Capability Statement of a maximum of fifteen (5) pages on 8.5 x 11 in paper, font no smaller than 10 point, demonstrating its ability to perform the services listed in the PWS. The results of this Sources Sought will be utilized to determine if small business opportunities exist and also to gauge competitiveness in upcoming solicitations. All small business set-aside categories will be considered. See attached draft PWS. All interested businesses shall submit responses via electronic email only to the attention of Jose G. Juarez, Contracting Officer at jose.g.juarez8.civ@us.navy.mil.

When submitting the email response, each offeror must confirm that they have received an acknowledgement email from the Contracting Officer to ensure the proposal was received prior to the closing date. An offeror who does not receive an acknowledgement email from the Contracting Officer should assume his email was not successfully received.

Questions or comments prior to the closing date may be addressed directly to the Contracting Officer via email. Due date for questions will be 15 April 2026 at 1000 Pacific Time.

Responses to this sources sought shall be received electronically no later than 1000 Pacific Time on 22 April 2026. Late responses will not be considered.

Incomplete responses will not be considered. The Capability Statement must address, at a

minimum, the following:

1) Statement providing Company Name, Company Address, Points of Contact (POC) include name, phone number, fax number, and e-mail address) and confirmation of current small business status (if applicable) under NAICS code 541618.

2) Prior/current corporate (past performance) experience performing efforts of similar size and scope within the last five years, including contract number, organization supported, indication of whether as a prime or subcontractor, contract values, hours/dollars incurred to date, Government point of contact with current telephone number and email address, and brief description of how the referenced contract relates to the services described herein.

3) The contractor's technical approach to perform the requirements of the PWS.

Attachments: (1) Draft Performance Work Statement (PWS); Note, no other information other than the PWS will be provided to potential respondents of this sources sought notice.

By submitting information, the vendor is self-certifying that neither the requestor nor the principal corporate officials and owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Furthermore, prospective awardee must be registered in the System for Award Management (SAM) database prior to award, during performance, and through final payment. Contractors may obtain information on registration and annual confirmation requirements by visiting <http://www.sam.gov>.
