

The Department of Veterans Affairs, Network Contracting Office - NCO 15, intends to release a Request for Quotes (RFQ). We are seeking quotes on the following: *** AED's for Eastern Kansas VA Hospital System ***

The North American Industry Classification System (NAICS) Code for this RFQ is 334510 – Electromedical and Electrotherapeutic Apparatus Manufacturing, with a size Standard of 1,250 Employees, and Product Service Code (PSC) of 6515. This is a Firm-Fixed Price, FOB Destination requirement, and intended as a Small Business Set Aside in order to apply the NMR "Exception".

All RFQ details, to include full specifications will be included in Section B of the RFQ, which will be released on or about April 9th, 2026. Any contractor who wishes to receive a copy of the RFQ should monitor this posting. Due date for submission of quote will be April 20th, 2026 at 11:00 am Central Standard Time (CST). RFQ response shall be submitted via email referencing the "[RFQ - 36C25526Q0264](#)" in the subject line to ronald.castle@va.gov

Questions regarding this RFQ shall be received by 04/15/2026 at 10 am CST. All amendments, other information pertaining to this Request for Quote, and answers to the submitted questions will be posted on the Beta Sam website at <https://beta.sam.gov>. Interested firms are reminded that in accordance with FAR 4.12, prospective contractors shall complete electronic annual representations and certifications to be considered for award. In addition, FAR 4.11 states that prospective contractors shall be registered in the System for Award Management (www.SAM.gov) database. All Veteran Owned Small Business (VOSB), Service-Disabled Veteran Owned Small Businesses (SDVOSB) shall be verified in VetBiz at www.vip.vetbiz.gov. Non-OEM Firms must submit their Authorized Distributor Letter with the quote.

Point of Contact for this RFQ is:
