

## **SOLE SOURCE SYNOPSIS**

The 45th Contracting Squadron, Patrick Space Force Base (PSFB), intends to award a sole source contract to Cummins Consulting, LLC for the QMS Management System. This action is being pursued in accordance with FAR 13.106-1(b)(1), which permits soliciting from a single source when the contracting officer determines that only one source is reasonably available. As required by FAR 5.207(c)(15), market research confirms that Cummins Consulting, LLC is the only source capable of providing the labor, tools, equipment, and materials necessary to fulfill the governments QMS Management requirement. These services are essential to support Space Force Delta 45 mission operations. The applicable NAICS code for this requirement is 541512.

In accordance with FAR 5.207(c)(16)(ii), all responsible sources may submit a capability statement which shall be considered by the agency. This notice is not a request for competitive quotes; however, any responses received within **7 days** of this publication will be reviewed. The Government will not reimburse any costs incurred in responding to this notice. All expenses associated with responding will be solely at the interested party's expense.

Based on the results of market research, 45 CONS/PKB has determined that Cummins Consulting, LLC is the only source capable of meeting the Government's requirements. No solicitation documents exist at this time. Phone inquiries will not be accepted.
