MEMORANDUM FOR 82 CONS/PKA

FROM: 782 TRG/CD

SUBJECT: Sole Source Justification for Arbinger Training Products

1. The Sole Source letter must be signed by the Commander or an authorized designee in the Commander's absence. A signature from the Group Commander is required, as the 782 TRG is funding Arbinger Training for selected members from all squadrons to attend.

2. [REDACTED] It is necessary to justify that Arbinger is the sole provider capable of delivering the specific training agenda required to support Department of War organizations in enhancing leadership alignment and operational accountability within complex, high-stakes environments.

[REDACTED]

4. **Description of the supply/services:** Request approval for purchase of Arbinger Institute, LLC (GS-10F-009AA) products. The package from Arbinger contains materials and training for members of the 782 TRG other faculty members in the 82 TRW. The requested materials and services are part of the 782 TRG long-term development plans. Services supplied by the Arbinger Institute are on-site facilitation, participant workbooks, and online resources. A description of the course material can be found under Attachment 1.

5. **Efforts to obtain competition:** Leaders at 2 AF have been hosting workshops with the Arbinger Institute since 2022, and this is the third time these workshops will be hosted within the 82 TRW. The Arbinger Company is the sole owner and proprietor of the Outward Mindset series of training and train-the-trainer programs, which includes the materials requested. These materials are coy righted intellectual property and are prohibited from being delivered by another company or organization, except for Learning Cor Leadership, Inc., doing business as Mindset4Results. They are the only resellers of Arbinger's content.

6. **Market Research:** Online research.

7. **Statement of action, if any, the Agency may take to remove or overcome any barriers to competition before making subsequent acquisitions for the supply/service required:** The training and materials requested proprietary to Arbinger.
