PERFORMANCE WORK STATEMENT (PWS)

Replacement of RUBB Structure Covering (Skin) - Building 954 Annex, Bremerton, WA 98314

1. GENERAL. This is a non-personal supply procurement to provide all personnel, equipment, tools, materials, supervision, transportation, safety equipment, and other items and services necessary to perform replacement of Bldg. 954 Annex RUBB building waterproof tension fabric covering in Bremerton, WA 98314 as defined in this Performance Work Statement. The Government shall not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1 Description of Supply/Introduction. This is a non-personal services procurement. The Contractor shall provide all personnel, materials, equipment, tools, transportation, supervision, safety equipment, and any other resources necessary to replace the Bldg. 954 Annex exterior waterproof tension fabric covering at Fleet Logistics Center Puget Sound (FLCPS), Bremerton, WA 98314, as detailed in this Performance Work Statement. The Government will not supervise or control contractor personnel. These individuals are accountable solely to the Contractor, who is responsible to the Government.

1.2 Background. Fleet Logistics Center Puget Sound is a U.S. Navy logistics installation located in Bremerton, WA. Building 954 Annex, a waterproof tension-fabric RUBB structure, has been worn through age and weather and has sustained damage. It requires professional replacement of the tension fabric covering to restore its security, integrity, and function.

1.3 Objectives. The contractor shall provide all labor, materials, tools, equipment, and supervision necessary to complete the replacement work specified below. All work shall be conducted during normal working hours, Monday through Friday, unless otherwise authorized by the Contracting Officer's Representative (COR).

1.4 Scope. This project includes the inspection, planning, and replacement of the tension fabric covering on the RUBB structure of Building 954 Annex.

1.4.1 The Contractor shall inspect the waterproof tension fabric covering on the RUBB building. A replacement plan must be submitted for approval prior to execution.

1.4.2 The Contractor shall remove and dispose of old waterproof tension fabric covering material and provide and install new materials to replace existing materials.

1.4.3 The Contractor shall ensure all seams, joints, and repairs are watertight, reinforced, and compliant with manufacturer and industry standards.

1.4.4 They must restore the building to a functional, secure, and visually consistent condition.

1.4.5 The Contractor shall safely access elevated areas using appropriate fall protection, lifts, or scaffolding.

1.4.6 Upon completion, the Contractor shall remove all debris, protective coverings, tools, and equipment, and leave the site clean and free of damage.

1.4.7 After completion, all protective coverings shall be removed, and all work areas shall be thoroughly cleaned of dust, debris, and splatters.

1.4.8 All waste and leftover materials shall be disposed of offsite in accordance with local environmental regulations.

2. CLEANING AND PROTECTION.

2.1 The contractor shall Use appropriate coverings (plastic sheeting, tarps, etc.) to shield nearby surfaces and equipment from damage.

2.2 Maintain clean and safe walkways and post signage where work is taking place.

2.3 The contractor shall maintain clean and safe walkways in all occupied or high-traffic areas. Warning

2.4 Remove all debris, excess materials, and waste from the worksite daily. Waste shall not be stored onsite overnight.

2.5 Upon completion, ensure all work areas are cleaned of smudges, debris, or adhesive residue.

3. CONTRACTOR FURNISHED ITEMS AND SERVICES.

3.1 The Contractor shall furnish all necessary materials, tools, ladders, scaffolding, fasteners, adhesives, PPE, and other items required to complete the job. The Contractor shall not rely on any Government furnished supplies unless specified.

3.2 The contractor shall not rely on Government-furnished materials unless otherwise specified.

4. CARPET COMPLETION TIME.

4.1 The requested completion time may not exceed one (1) week from start to finish.

5. GOVERNMENT SERVICES.

5.1 The government will provide water and electricity, when available.

6. QUALITY CONTROL.

6.1 The Contractor shall implement and maintain a quality control program to ensure compliance with all contract requirements and professional standards. All workmanship shall be warranted for five (5) years from the date of final acceptance.

7. HOURS OF OPERATION.

7.1 The contractor shall perform the on-site services required under this contract during the following hours: 7:00 am- 3:30 pm, Monday through Friday, except on U.S. holidays specified below. No onsite work shall be scheduled or performed on holidays unless previously approved or directed by the Contracting Officer. If the contractor desires to work on non-scheduled workdays or evenings, he must submit a written request to the POC for approval.

7.1.1 The contractor is not required to provide service, except as noted above on the following days:

New Year's Day
Martin Luther King, Jr. Birthday
President's Day
Memorial Day
Independence Day
Labor Day
Columbus Day
Veteran's Day
Thanksgiving Day
Christmas Day

8. SECURITY REQUIREMENTS.

8.1 The contractor shall make sure employees have the necessary "Enhanced Real I.D." or "Real I.D. and Proof of Citizenship" and gate passes in accordance with U.S. military installation regulations prior to the start of this contract.

8.2 The contractor shall comply with applicable government published safety requirements and regulations, which will be available upon request by the contractor.

9. CONTRACTOR PERSONNEL REQUIREMENTS.

9.1 The contractor shall provide a project manager who shall be responsible for the performance of the work. The name of this person, and an alternate (s), who shall act for the contractor when the contract manager is absent, shall be designated in writing to the Contracting Officer five (5) working days prior to start of projects. The contract manager or alternate shall have full authority to act for the contractor on all contract matter relating to the daily operation of this contract. The contract manager or alternate shall be available during normal duty hours

9.2 Post Award Conference/Periodic Progress Meetings: The Contractor agrees to attend any post award conference convened by the contracting activity or contract administration office. The contracting officer, Government Surveillance Officer (GSO), and other Government personnel, as appropriate, may meet periodically with the contractor to review the contractor's performance. At these meetings, the contracting officer will apprise the Contractor of how the government views the contractor's performance and the contractor will apprise the Government of any problems that they experience. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the government.

9.2.1 Post award conference to be held one week after award. The contractor will present colors and styles for the offered products for customer selection.

10. CONTRACTOR FURNISHED ITEMS AND RESPONSIBILITIES.

10.1 The Contractor shall furnish all supplies, equipment, facilities and services required to perform work under this contract that are not listed under Section 3 of this PWS.

10.2 The Contractor shall provide all equipment required for floor preparation, installation and cleaning the work areas.

11. SITE VISIT. A site visit occurred on 4/7/2026. The following Q&A has resulted:

No owned drawings or photos of structure.

Structural style: straight-wall

Current covering system: mono-cover

Building size: 80' long x 42' wide with 12' walls

Timeline for project completion: date of award to 31 August 2026

Fire retardant/resistant required: Yes, NFPA 701 for tarp material and UFC states minimal fire protection required.
