

PURCHASE DESCRIPTION

1. **Statement of Need and Purpose:** The purpose of this procurement is to acquire a replacement Revvity (PerkinElmer) JANUS G3 automated liquid handling workstation to replace a 17-year-old first-generation JANUS instrument currently in use. The replacement system will support Compound Management staff in preparing and distributing compounds for NCATS researchers and collaborators while maintaining compatibility with existing laboratory workflows and automation protocols.
2. **Background Information and Objective:** The existing JANUS instrument is 17 years old and is considered obsolete. The system operates on outdated computer hardware and software, and any failure of the instrument or associated computer could disrupt critical Compound Management operations. Because a large portion of compound processing workflows rely on this instrument, replacement prior to catastrophic failure is necessary to ensure continuity of Compound Management services supporting NCATS research activities.
3. **Generic Name of Product:** Automated liquid handler
4. **Purchase Description:** (Revvity (PerkinElmer) JANUS G3 automated liquid handler with 8-Tip dispenser and MDT dispenser
5. **Salient characteristics**

The system must be compatible with existing JANUS accessories and WinPrep protocols currently used by NCATS Compound Management. The system must include:

 - Revvity (PerkinElmer) JANUS G3 automated liquid handler
 - 8-Tip dispenser
 - Modular Dispense Technology (MDT) dispenser
 - 500 µL syringes
 - MDT heads: I30 384, I30RC 384, and I50 96
 - (2) PlateStak diving boards with associated required accessories
 - System table
 - (2) Inheco MultiTEC controllers
 - (8) CPAC Ultraflat HT 4°C–70°C deck tiles
 - Microplate tilter
 - (2) MDT docking stations
 - Modern computer with required JANUS control software
 - 115V air compressor
 - MDT gripper VE assembly
 - Installation and system setup

6. **Quantity:** 1
7. **Delivery Date:** One-time delivery to NCATS, 9800 Medical Center Drive, Rockville, MD 20850, within 30 days after receipt of order.
8. **Period of Performance:** Includes a 180-day parts and labor warranty beginning upon installation and system acceptance.
9. **Option(s):** n/a
