

SUPPLY CHAIN MANAGEMENT

TO: SLAC Subcontractors
 FROM: Supply Chain Management
 SUBJECT: REAL ID Requirement for SLAC Entry
 DATE: May 2025

Starting on May 7, 2025, the U.S. Department of Homeland Security begins full enforcement of the **REAL ID Act**. All Subcontractors/Visitors coming on-site to SLAC without an active SLAC badge will need a **REAL ID-compliant driver's license or another acceptable form of identification** to access the site.

Prior to Arriving at SLAC:

All Subcontractors/Visitors must complete a [Site Access Form](#), prior to arriving to SLAC. The form Point-of-Contact for Subcontractors should be the SLAC Project Manager or Construction Manager. For Visitors coming on-site for solicitation site walks, the Point-of-Contact is the Subcontract Administrator.

REAL-ID Compliant Identification:

REAL ID typically have a star in the upper right-hand corner of the card, which distinguishes them from standard non-compliant licenses. Acceptable forms of identification include:

State-issued Enhanced Driver's License	HSPD-12 PIV card
U.S. passport	Foreign government-issued passport
U.S. passport card	Canadian provincial driver's license or Indian and Northern Affairs Canada card
DHS trusted traveler cards (Global Entry, NEXUS, SENTRI, FAST)	Transportation worker identification credential
U.S. Department of Defense ID, including IDs issued to dependents	U.S. Citizenship and Immigration Services Employment Authorization Card (I-766)
Permanent resident card	U.S. Merchant Mariner Credential
Border crossing card	Veteran Health Identification Card (VHIC)

Deliveries:

Delivery drivers are required to have a valid license and will be directed to Shipping & Receiving. If the license is not a REAL ID, they will be advised to get a REAL ID. If the delivery is for on-site construction projects or deliveries only, a SLAC escort will be required for access.
