

Federal Aviation Administration

The Federal Aviation Administration's (FAA) Vice President of Mission Support Services cordially invites you to our upcoming Air Traffic Performance EXcellence System (APEX) Industry Day. This event is a follow on to the FAA's recent Request For Information (RFI) (Notice ID: **APEXRFI032026**) and will allow industry partners an opportunity to understand the FAA's broader vision for evolving student success at the FAA Academy, the APEX project, and an overview of the FAA Academy infrastructure. Registration is limited to U.S. Citizens. For additional information on the FAA vision, please see the attached documents: "Improving FAA Training Outcomes through System Alignment" and "CAMI APEX".

Event Highlights:

Date: Friday, May 15th, 2026

Time: 11:00-12:00 P.M.

Location: Bessie Coleman Conference Room

800 Independence Avenue SW

Washington, D.C. 20591

Attendees: Limit two (2) per company

Reservations:

Attendees should email Stephanie.Noel@faa.gov by May 11th and provide:

Company Name

NAICS/CAGE Code

Small Business (Y/N)?

Currently Work with FAA

(Y/N)? Last Name

First Name

Middle Initial

FAA PIV Badge (Y/N)?

Reservation requests containing PII should be password protected. Submissions will be acknowledged via return email with access instructions and more detailed agenda information. Please advise if attendance will be virtual or in person.

Federal Aviation Administration

Please also be advised that there is a room capacity limitation so do not delay in responding. Registration for in-person attendance will close when the event reaches capacity, or at COB Monday, May 11, 2026. If seating remains available after May 11th, only personnel with an FAA badge may be added.

We look forward to your participation in advancing our shared mission!

Sincerely,

CHRISTOPHER
