Instructions to Appendix E – Past Performance Information Sheet

Offerors shall follow the instructions below when filling out Appendix E - Past Performance Information Sheet.

PART I: PAST PERFORMANCE IDENTIFICATION

Contractor Name: Offerors shall enter the Contractor's Name of this work sample.

Contract Number: Offerors shall enter the Contract Number.

Task Order Number: Offerors shall enter the Task Order Number (if applicable).

Subcontract Number: Offerors shall enter the Subcontract Number (if applicable).

Customer: Offerors shall enter the agency, organization, or client name. If the customer was a Government agency, or organization, Offerors shall include the office symbol and program name this work sample supports.

Period of Performance: Offerors shall include the period of performance if the contract/order including all options. Offerors shall list the period of performance in the following format (MM/YYYY – MM/YYYY or MM/YYYY – Present):

Work Sample Value: Offerors shall enter the final or most recent total contract/order value of the work sample. The total value shall include the value of all options.

Work Sample Identifier(s): Works samples shall be numbered WS1-WS6. Insert the applicable work sample number(s).

Is there a CPAR available for this work sample? The Offeror shall select 'Yes' or 'No'

PART II: PAST PERFORMANCE INFORMATION/POINTS OF CONTACT

Contracting Officer: Offerors shall provide the contact information for either the current Contracting Officer working the contract or the most recent Contracting Officer if the contract has ended. If there is no available Contracting Officer then leave this section blank.

Contracting Officer's Representative (COR) or Relevant Customer Point of Contact: Offerors shall provide the contact information for the Primary (or Alternate if Primary is not available) COR. If a COR is not available, or if the work sample is not for a Government contract, Offerors shall provide a relevant customer point of contact that would be able to assist in validation of the work sample.

Each Offeror shall provide at least two (2) Points of Contact for each work sample.

PART III: PAST PERFORMANCE NARRATIVE (2 Pages Limit)

Offerors shall provide a brief description of the work sample. Offerors may also provide additional information to discuss the Offeror's efforts to resolve contract performance problems encountered on prior contracts as well as past efforts to identify and manage program risk. Merely having problems does not automatically equate to an "Unacceptable" rating, since the problems encountered may have been on a more complex program, or an Offeror may have subsequently demonstrated the ability to overcome the problems encountered. The Offeror is required to clearly demonstrate management actions employed in overcoming problems and the effects of those actions in terms of improvements achieved or problems rectified.
