Description:

The Marine Corps Logistics Command, Contracts Department (CONT) intends to solicit and contract with Fluke Electronics Corp (CAGE **4U744**) of Everett, Washington on a sole-source basis for the Calibration and repair of multiple units. The North American Industry Classification Standard (NAICS) code assigned is 334515-Instrument Manufacturing for Measuring and Testing Electricity and Electrical Signals. No solicitation will be posted on this website for this requirement. A Justification and Approval document is attached to this notice. Any potential source may contact the persons indicated above to discuss their ability to offer the required services for future acquisitions.

National Stock Number – N/A

Specification(s) –

CLIN: 0001 Calibration and Repair of Multiple Units

Qty: 1 **Unit:** Lot

Destination information – MDMC PPA Albany, GA

Basis for Award: The Government intends to issue a single Purchase Order on a sole source basis to Fluke Electronics Corp after review of responsibility and a fair and reasonable pricing determination.

Award Procedures – The Government will award a firm-fixed-price contract for these commercial services with an estimated total under the simplified acquisition threshold.
