

STATEMENT OF WORK

USS MAKIN ISLAND (LHD-8)

Inspect & Repair or Replace AFT Winch Inverter #860-02024

Reference: AFT Winch Inverter #860-02024

Introduction: USS Makin Island (LHD-8) is requesting services to inspect, repair or replace and install Inverter on the Port Davit.

Background: USS MAKIN ISLAND requires a Port Boat Davit Inverter to be installed upon receipt with FTA. It will allow us to turn on the control panel and load center breaker that powers the davit. The box helps to launch our small boat onboard.

1.0 General Requirements for Inspection, repair and install:

- 1.1 Assess material condition of inverter that requires refurbishment and troubleshoot and assess inverter.
- 1.2 Contractor to provide information if refurbishment will be required or new replacement.
- 1.3 If refurbishment required, move on to 1.4
- 1.4 Contractor refurbish and reinstall inverter on Port Boat Davit boat deck for operational checks.
- 1.5 Contractor conduct OPTTEST and QA following installation.
- 1.6 Contractor troubleshoot as necessary until SAT OPTTEST of the inverter is accomplished.

2.0 Salvage Parts: Refurbish or provide new inverter if needed upon contractor assessment of turned in item.

3.0 PACKING/PICK-UP/Delivery:

Company will send the material to:
USS MAKIN ISLAND LHD8
BLDG 3581 MPC DLA DISTRIBUTION SAN DIEGO
CUMMINGS ROAD
SAN DIEGO CA. 92136

4.0 Inspection and Acceptance: Inverter will be assessed by contractor upon arrival and initial inspection. Ship's force will accept work complete once OPTTEST and QA points are SAT.

5.0 Compliance and Standards:

5.1 While on military installation, the Contractor shall be subject to monitoring and inspection, but under no circumstances shall such person deemed to be employees or agents of the government.

5.2 The contractor shall be liable for failure to return the inverter.

6.0 Invoicing and Payment: POIC:

[REDACTED]

7.0 Place of Performance: (Shipping location and installation onboard USS Makin Island)

USS MAKIN ISLAND LHD8: Located at Naval Base San Diego, Pier 8

- Required delivery date: 03 AUG 26

8.0 USS MAKIN ISLAND Point of Contacts:
