

Request for Information (RFI)

Outsourcing the Federal Bureau of Prisons (FBOP) Medical Services

1. Purpose

This Request for Information (RFI) is issued for market research purposes only in accordance with FAR Deviation Part 10. The purpose of this notice is to obtain information from qualified sources regarding the capability, capacity, and commercial practices associated with providing comprehensive healthcare services for the inmate population of the FBOP.

This is not a solicitation, Request for Proposal (RFP), or Request for Quote (RFQ). No contract award will result directly from this notice.

2. Scope of Services

The Government seeks information regarding contractor capability to provide, manage, coordinate, and integrate all necessary healthcare services for the inmate population, including on-site/internal institutional care and off-site/external community-based care at all FBOP locations, serving approximately 140,000 inmates.

Internal / On-Site Institutional Services

- Primary care and chronic disease management
- On-site specialty care
- Dialysis treatment
- Oncology services
- Wound care
- OB/GYN services
- Sick call / urgent care
- Intake screenings and health assessments
- Preventive care and wellness programs
- Nursing services (24/7 as required)
- Pharmacy management and medication administration
- Dental services
- Mental health / behavioral health services
- Psychiatry and psychology services
- Social work services
- Substance use disorder treatment / Medicated Assisted Treatment
- Laboratory / phlebotomy services
- Radiology / diagnostic imaging
- Physical therapy / rehabilitation
- Infection control and public health programs

- Telehealth / tele-triage services
- Medical staffing recruitment, credentialing, scheduling, and supervision

External / Off-Site Community Services

- Specialty physician referrals
- Emergency room and trauma care
- Inpatient hospitalization
- Outpatient surgery / ambulatory care
- Oncology services
- Cardiology, orthopedics, neurology, etc.
- Dialysis services
- Transplant Services
- Advanced diagnostics (MRI, CT, specialty imaging)
- Specialty mental health placements as required
- Long-term care / skilled nursing arrangements
- Transportation coordination for outside appointments
- Utilization management and case management
- Claims processing / provider network administration

3. Operational Requirements

Interested parties should address capability of performing in secure correctional environments and coordinate with FBOP staff regarding:

- Institutional security procedures
- Inmate movement and escort coordination
- Continuity of care across facilities
- Coordination of care through the transfer of inmates to designated locations to achieve targeted cost savings measures
- Staff shortages and surge support
- Emergency preparedness
- Suicide prevention and crisis response
- Compliance with accreditation standards
- Electronic health records interoperability
- HIPAA/privacy and correctional confidentiality requirements
- Nationwide or regional coverage models

4. Requested Industry Feedback

- Corporate background and relevant experience
- Ability to provide nationwide, regional, or facility-level coverage
- Recommended contract structure

- Transition approach
- Staffing model and recruitment strategy
- External provider network strategy
- Quality assurance and performance metrics
- Technology platforms
- Risk and mitigation strategies unique to correctional healthcare
- Estimated pricing methodology and rough order of magnitude (ROM) costs

5. Pricing Information Requested

For planning purposes only, respondents are requested to provide non-binding budgetary pricing estimates or pricing models for:

- Capitated pricing (per person per day)
- Per facility annual pricing
- Administration pricing
- Fee-for-service external network pricing (premium / discount to Medicare reimbursement)

All pricing should include assumptions.

6. Response Instructions

Responses should be concise and not exceed 14MB. Responses may include part or all of the scope of services.

Submit responses electronically to: BOP-ADM-MarketResearchResponse@bop.gov

Due Date: May 15, 2026
