

A topographic map showing a mountainous area with brown contour lines. The map is divided into several regions by colored lines: a red boundary on the left, a blue boundary in the center and right, and a white boundary at the bottom. A green horizontal line runs across the top. A blue dashed line labeled 'Tender Gulch' runs vertically through the center. A blue line labeled 'Tyler Creek' runs horizontally across the top. Various elevation points are marked, including 932, 960, 940, 941, 612, 613a, 613b, 610, 466, 17855, 4284, 5000, 5200, 5600, and 68517. A small blue circle is located near the 4284 elevation point. The map also shows a road labeled 'Crack Rd' and a small building labeled 'Tyler Creek'.

 Exclusion
 Mandatory
 Optional
 Forest Service System Roads

Contour Interval

— 200foot

This map is intended to depict physical features as they generally appear on the ground and may not be used to determine title, ownership, legal boundaries, legal jurisdiction, including jurisdiction over roads or trails, or access restrictions that may be in place on either public or private land. Obtain permission before entering private lands, and check with appropriate government offices for restrictions that may apply to public lands. Lands, roads and trails within the boundaries of the National Forest may be subject to restrictions on motor vehicle use. Obtain a Motor Vehicle Use Map, or inquire at the local Forest Service Office for motor vehicle access information. Natural hazards may or may not be depicted on the map, and land users should exercise due caution. This map is not suitable for navigational use.
