

This is a Sources Sought Notice announcement; market survey for information only, to be used for preliminary planning purposes. No proposals are being requested or accepted with this synopsis. THIS IS NOT A SOLICITATION FOR PROPOSALS AND NO CONTRACT SHALL BE AWARDED FROM THIS NOTICE. Any requests for a solicitation in response to this notice will not be honored. The Medical Readiness Contract Office-West, Fort Sam Houston, TX, has an upcoming requirement to solicit for and award a supply contract to provide Dwight David Eisenhower Army Medical Center (DDEAMC) Department of Radiology (Nuclear Medicine) Fort Gordon, Georgia FDA approved F-18 Fludeoxyglucose (FDG) unit dose radiopharmaceuticals. The Contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform preparation and delivery of an estimated four hundred and fifty (450) FDA approved F-18 FDG unit dose radiopharmaceuticals as defined in the Statement of Work except for those items specified as Government furnished property and services. The Contractor shall be an FDA approved radioisotope provider. The Contractor shall provide 10 – 15 mCi F-18 FDG at time of calibration. The Contractor shall deliver directly to DDEAMC Nuclear Medicine Department no less than 30 minutes prior to calibration time. Basic requirement details are listed below. This request is anticipated to result in a Firm Fixed-Priced contract. The type of solicitation to issue will be based upon the responses to this synopsis. Contact with Government Personnel, other than the Contract Specialist identified at the bottom of this notice, by any potential offeror, or their employees', regarding this requirement is strictly prohibited.

The purpose of this synopsis is to gain knowledge of interest, capabilities and qualifications of various members of the Small Business Community to include Section 8(a), Historically Underutilized Business Zones (HUB-Zone), Women-Owned Small Business, and Service-Disabled Veteran-Owned Small Business (SDVOSB), as well as the interest, capabilities and qualifications of various members of the Large Business community, to compete and perform a Firm Fixed Price Contract for these supplies. The type of solicitation to issue will depend upon the responses to this sources sought notice. The Government must ensure there is adequate competition among the potential pool of responsive contractors.

The North American Classification System (NAICS) code for this requirement is 325412 – “Pharmaceutical Preparation Manufacturing.” The Small Business Size Standard is 1,300 employees.

Responses to this Sources Sought Notice should demonstrate the firm's ability, capability, and responsibility to provide and deliver the products listed within this notice. In response to this notice, interested parties shall submit a written Statement of Capability **limited** up to 5 pages and shall include the following information:

- Offeror's name, address, point of contact, phone number, and e-mail address.
- Offeror's interest in providing a proposal/quote on the solicitation when it is issued.
- Offeror's capability to provide the products being requested.

- For reference the proposed offeror **must** be able to provide the following items: FDA approved F-18 Fludeoxyglucose (FDG) unit dose radiopharmaceuticals. The Contractor must be an FDA approved radioisotope provider.

Offeror's capability to perform a contract of this magnitude and complexity include offeror's capability to deliver directly to Dwight David Eisenhower Army Medical Center, Fort Gordon, Georgia Nuclear Medicine Department no less than 30 minutes prior to calibration time. Documentation of appropriate products must be presented in sufficient detail for the Government to determine that your company possesses the necessary means to compete for this acquisition.

Offeror's type of small business and Business Size (Whether 8(a), HUB Zone, Women-Owned Small Business, Service Disabled Veteran Owned Small Business, etc.), or Large Business Status, should be documented in the Statement of Capability.

Interested parties are responsible for marking information that is proprietary in nature. No reimbursement will be made for any costs associated with providing information in response to this notice or any follow up information requests. The Government is not obligated to, nor will it, pay for or reimburse any costs associated with responding to this notice. This notice shall not be construed as a commitment by the Government to issue a solicitation or ultimately award a contract, nor does it restrict the Government to a particular acquisition approach. The Government will in no way be bound to this information if any solicitation is issued. No subcontracting opportunity is anticipated. A determination by the Government to not compete this proposed contract action based on the responses to this notice is solely within the discretion of the Government.

Interested Offeror shall respond to this Sources Sought Notice no later than 7 May 2026 at 1:00 P.M Central Standard Time. All interested businesses must be registered in the System for Award Management (SAM) at www.sam.gov to be eligible for award of Government contracts. Email your response to Wayne Shavers at email: wayne.shavers.civ@health.mil. Telephonic inquiries will **NOT** be honored. **EMAIL IS THE PREFERRED METHOD.**
