*Delivery of such property will be made by NSWC IHD, INDIAN HEAD. GFP will be available for delivery no earlier than 90 days upon request.*

3. The property will be delivered, at the Government's expense, at or near:

POC: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

4. The Contractor shall notify the Contracting Officer, in writing, with a concurrent copy to the cognizant DCMA office and NSWC IHD AMS, per Section H, at least ninety (90) days prior to the need for the Government Furnished Property (GFP).

The GFP request shall clearly indicate the following information:

- a. Contract Number
- b. End Item Nomenclature and DODIC
- c. Quantity of GFP required
- d. Complete address to which GFP is to be delivered
- e. Date GFP is required

5. Only the property listed above, in the quantity shown, will be furnished by the Government. The total quantity of GFP provided will include First Article/Preproduction Testing, if required, lot acceptance, and normal attrition.

6. The Government reserves the right to initially forward only the appropriate amount of GFP applicable to the First Article quantity (as described in Section B Supplies/Services) within 90 days of the Contractor's request. The GFP applicable to the Production units and the Lot Acceptance Test Samples (as described in Section B Supplies/Services) will be forwarded within 60 days after the approval of the First Article Test requirement and subsequent release to production by the Contracting Officer, per program plan of section H of this contract.

7. The Contractor shall perform inspection of GFP within five (5) days after receipt at their facility.

8. The Contractor shall notify the Contracting Officer, in writing, within thirty (30) days after receipt of GFP, if GFP is determined to be lost, damaged, destroyed, no longer usable, or no longer needed for the performance of the contract.

9. If the Contractor determines that additional GFP is needed prior to contract award or during contract performance, the Contractor shall submit a written request to the Contracting Officer. In order for the request to be considered, the Contractor must provide justification for the need for additional GFP. If additional GFP is requested by the Contractor and issued by NSWC IHD during contract performance, the contract price will be reduced to compensate for the additional GFP.

10. All other property required for performance of this contract shall be furnished by the Contractor.

11. **PERCUSSION PRIMERS/IGNITION DEVICES** - The above cited percussion primers/ignition devices provided as GFP are from lot(s) found to be acceptable for intended application. It is the Contractor's responsibility to perform any processing, screening and/or testing (i.e., drying prior to use, radiographic screening for random defect, etc.) cited or referenced in the applicable drawings/specifications to assure product conformance. One-hundred percent (100%) radiographic inspection shall be performed on percussion primers/ignition devices prior to installation. Inspection shall be in accordance with ASTM E1742. The primers shall be arrayed on boards or trays in such a manner as to provide a side view of the internal components. The primers shall remain on the boards or trays until review of X-rays has been completed and all defects have been located and removed. The primers shall be free of the following defects when examined as specified : missing, incorrect, multiple, inverted, sideways, cocked, or deep seated anvil; loose, light, broken, or missing charge; gaps between anvil tip and charge; cup damage or distortion, primer crushed or mutilated; foreign material. The percussion primers/ignition devices shall not be used after the date specified on Condition Code Tag and shipping document 1348-1 (Block FF) without prior authorization from the Contracting Officer. Failure to comply with these conditions could cause rejection of the end-item.

12. **DISPOSITIONING** - The Contractor shall request disposition instructions from the Contracting Officer for any residual GFP. Any residual GFP must be in a container clearly marked with the NSN and lot number. It must also be free from any hazardous waste. Contents and marking shall be verified by the Government QAR.

Residual GFP shall be dispositioned within thirty (30) days after acceptance of the final production lot. Additionally, the Contractor shall notify the receiving activity, in writing, at least thirty (30) days prior to shipment. A detailed list of material being returned shall be provided. Failure to comply may result in rejection of the material at the destination. Any costs associated with return of unauthorized shipments shall be borne by the Contractor.

If the Contractor has the capability to dispose of the residual GFP at their facility, and has received permission to do so through approved disposition instructions, the Contractor shall provide a written notice to the issuing activity within thirty (30) days after the disposal. This notice shall identify the material which was disposed of by the contract number, NSN, lot number, quantity, and the date the material was disposed. Verification by the Government QAR is required and shall be cited on this notification.
