1. Do you have an estimated date the solicitation documents will be released? We have been watching this project since January 9, 2025 and it is still listed as being in the Pre-solicitation phase on Sam.gov.
 - a. The solicitations should be sent directly to the highest rated vendors, as determined by the Source Selection Team based on the submitted qualification packages. To give a rough timeline as to when the solicitations are expected to be sent out, our current estimate is sometime in June or early July, though this is subject to change depending on the number of packages received and complexity.
