This Sources Sought announcement is published for market research purposes only. Provided for review is the following document and attachment:

N0010426RX19754 Attachment 1

N0010426RX19754 Attachment 1 to Exhibit A

N0010426RX19754 Exhibit A

N0010426RX19754 Individual Repair Part Ordering Data

At a later date, an actual solicitation may to be posted to the Government Point of Entry (GPE), at www.SAM.gov. with an official Solicitation number and Request for Quote.

The market research information collected resulting from this Sources Sought Notice will be used to help the Government to identify qualified sources capable of accomplishing the required work outlined in the Statement of Work (SOW) under NAICS Code **331210**. The Small Business Size Standard for this NAICS Code is **1,000** employees.

This Notice should NOT be construed as a commitment by the Government to issue a solicitation, nor to ultimately award a contract. Responders acknowledge that this Notice does NOT restrict the Government to a particular acquisition approach, nor to otherwise reimburse Responders for any costs that may be incurred in preparation of response(s) to this Notice.

In accordance with FAR 15.202(e), responses to this notice are NOT deemed offers, and CANNOT be accepted by the Government to form a binding contract.

Only those Responders that are able to meet the following criteria should respond to this Sources Sought Notice:

Entity is capable of meeting ALL specifications outlined in the attached SOW document.

Entity has an active CAGE Code, and current registration in the System for Award Management (www.SAM.gov).

Entity does NOT appear on the Excluded Parties List

Responses should include the following information:

Company Name and CAGE Code as reflected in its current SAM Registration, and Tax Identification Number (TIN).

Point of Contact (POC) (name, telephone number, email address, street address)

Business Size & Business Type

Company's Capabilities Statement, applicable certifications and testing procedures, and related marketing materials
